Contains complete and detailed information on how to build a Heritage MGB, and tells how to buy an MGB, MGC or MGB V8 and the pitfalls to avoid. The finest MGB restoration book published to date.

Leek Lanzia, who many believe is 2, the Liberator 2, mentioned in the Prophecy, is given command of the remnants of the mutant army after it is decimated by the TGA 2's seemingly invincible hover tanks. He must reorganize and rebuild the army if there is going to be any chance of stopping the TGA from marching all the way to Rigomol and overrunning the capital city. After losing a bid to becoming chancellor, Lorin aligns herself with Leek in order to preserve the organization she and her father have so painstakingly built and to save the Nanomites from Vidal Lai's ordered genocide. While rebuilding the Loyalist 2's 3rd Army, Leek proves himself a capable leader and quickly gains the support and admiration of his soldiers and the people of Tarizon. But as the war drags on Leek yearns to rescue his mate, Lucinda, held captive by Vidal Lai in the capital city of Shisk.
