hey guys this is a review about a 2004 rm 125, in 2004 the rm 125 won the 125 shoot out against all brands. rm has the cleanest power house all the way through the rpm range, apparently ktm has the most take off for that year but i had a kx 125 and yz 125 04 and by far the rm is better and the 6th gear gearbox is sure handy and its a really versatile bike for any rider.
