3. Translate chunks from the target language to English (and vice versa). To make the phrases come alive for your class, try to give students a sense of what their equivalent expressions are in English (or whatever language you ' re teaching in). This would open their eyes to the many instances a particular lexical chunk is appropriate.

~~How to Apply the Lexical Approach to Language Teaching in ...~~

Also known as language chunk, lexical chunk, praxon, formulated speech, formulaic phrase, formulaic speech, lexical bundle, lexical phrase, and collocation.

~~Definition of Chunking in Language Acquisition~~

In language teaching, a set of principles based on the observation that an understanding of words and word combinations (chunks) is the primary method of learning a language. The idea is that, rather than have students memorize lists of vocabulary, they would learn commonly used phrases.

~~The Lexical Approach in Language Teaching~~

Types of Lexical Units Lewis also suggests that Native speakers have a large inventory of lexical chunks that are vital for fluent production. Chunks include collocations and fixed and semi-fixed expressions and idioms.

~~Lexical Approach | Foreign Language Teaching Methods ...~~

The Lexical Approach treats language as a series of prefabricated lexical chunks. Its methodology puts grammar in second place to vocabulary. The approach I will outline here is based on inputting 'lexical chunks' (strings of vocabulary or phrases) into Google's various search functions to find samples of real world text.
