You see, “Be A Free Range Human” is not a regular business or careers book. This isn’t just about making a living without a job... it’s about discovering a world where creating something that suits you down to the ground is not only encouraged but essential to make this work. It’s about life on your terms, working when, where and how you want – so you don’t have to fit you (and your unique personality) into someone else’s box to get paid.

first and most popular guides to creating a custom career (without an office or a boss). Updated with new advice on how to make free range work for your personality (you don't need to be a constantly-networking extrovert. have an MBA, or get funding), this smart, energizing guide will help you cut through the noise, see your options in a new way, and get the freedom and fulfilment you crave.

Be A Free Range Human - Kogan Page

A free-range human is someone who has created a work-life – be it a business, be it a portfolio career, be it life as an author – that fits number one who they actually are. So their personality, if they're more of an introvert, they don't have to pretend every day to go out and be an extrovert who loves networking, for example.
