children today have more money than in all of history. They face more pressure to spend and to keep up with their friends. The challenge for parents is to teach restraint and responsibility when our society may not put much stock on such values. This book teaches parents what to tell their children about money and how to tell them. The authors share their challenges and successes in plain common sense language. Good money habits are put forth in an easy to follow manner. The chapters are full of practical advice and humour, and you learn to answer difficult questions posed by your children.
