Solution Manual Advanced Accounting 11E by Beams 16  
Changes in the ownership structure of a partnership are one of the most important areas related to the operation of a partnership. Unlike a corporation, changes in the ownership structure of a partnership produce events that require special accounting treatment. This accounting treatment is heavily influenced by the legal concept of dissolution. The reason for this is that any time there is a change in the ownership structure, the original partnership is dissolved, and a new partnership is ...
