Alice in Chains: The Untold Story: de Sola, David ...

Enter Alice in Chains, one of the leading bands of the '90s Seattle grunge scene. Founder, co-singer, guitarist, and lead songwriter Jerry Cantrell eschewed the show-offy, over-the-top guitar work of the glam era (as many of his contemporaries did), and in its place opted for pointedly constructed lines suffused with the slow, grinding loops and pedal tones of sludge metal and desert rock, such as on 1992's *Dirt* .

Alice in Chains was the first of grunge's big four - ahead of Nirvana, Pearl Jam, and Soundgarden - to get a gold record and achieve national recognition. With the charismatic Layne Staley behind the microphone, they became one of the most influential and successful bands to come out of the Seattle music scene. But as the band got bigger, so did its problems. Acclaimed journalist David de Sola follows the members from their inauspicious beginnings at a warehouse under the Ballard Bridge through the history of the band, charting: - The local hair metal scene in Seattle during the 1980s. - How drugs nearly destroyed the band and claimed the lives of Staley and founding bassist Mike Starr. - Jerry Cantrell's solo career and Mike Starr's life after being fired from the band. - The band's resurrection with William DuVall, the Atlanta singer/guitarist who stepped into Layne Staley's shoes. Based on a wealth of interviews with people with direct knowledge of the band and its history, many of whom are speaking on the record for the first time, Alice in Chains will stand as the definitive Alice in Chains biography for years to come.

Alice in Chains was the first of grunge's big four – ahead of Nirvana, Pearl Jam, and Soundgarden – to get a gold record and achieve national recognition. With the charismatic Layne Staley behind the microphone, they became one of the most influential and successful bands to come out of the Seattle music scene. But as the band got bigger, so did its problems. Acclaimed journalist David de Sola follows the members from their inauspicious beginnings at a warehouse under the Ballard Bridge through the history of the band, charting: The local hair metal scene in Seattle during the 1980s. How drugs nearly destroyed the band and claimed the lives of Staley and founding bassist Mike Starr. Jerry Cantrell's solo career and Mike Starr's life after being fired from the band. of whom are speaking on the record for the first time, Alice in Chains will stand as the definitive Alice in Chains biography for years to come.

The first comprehensive biography of Alice In Chains from its genre-forging years on the hard edge of grunge to the tragic death of lead singer Layne Staley and the band's comeback. Alice in Chains were among the loudest voices out of Seattle. They were iconic pioneers who mixed grunge and metal in ways that continue to influence today's artists, and theirs is a story of hard work, self-destruction, rising from the ashes, and carrying on a lasting legacy. Four years after their first meeting at a warehouse under Seattle's Ballard Bridge, Alice in Chains became the first of grunge's big four - ahead of Nirvana, Pearl Jam, and Soundgarden - to get a gold record and achieve national recognition. With the charismatic Layne Staley behind the microphone, they became one of the most influential and successful bands to come out of the Seattle music scene. But as the band got bigger, so did their problems. Acclaimed journalist David de Sola delves beneath the secrecy, gossip, and rumor surrounding the band to tell their full story for the first time. Based on a wealth of interviews with people who have direct knowledge of the band, many speaking on the record for the very first time, de Sola explores how drugs nearly destroyed them and claimed the lives of Staley and founding bassist Mike Starr, follows Jerry Cantrell's solo career and Mike Starr's life after being fired from the band, and chronicles the band's resurrection with new lead singer William DuVall. From their anonymous struggles to topping the charts with hits like "Would?," "Man in the Box," and "Rooster," Alice in Chains reveals the members of the band not as caricatures of rock stars but as brilliant, nuanced, and flawed human beings whose years of hard work led to the seemingly overnight success that changed the music scene forever.

A tribute to the Pacific Northwest's grunge genre draws on the

observations of individuals at the forefront of the movement from Soundgarden and the Melvins to Nirvana and Pearl Jam, citing the influences of such factors as the rise of Seattle's Sub Pop record label and the death of Kurt Cobain.

“Total F*cking Godhead brings Chris Cornell, the voice of a generation, alive on the page. Impressively researched and compulsively readable, Godhead pulls no punches in recounting Cornell’s remarkable life and prolific career. It’s an inspired chronicle of an impassioned soul. Read it!” —Greg Renoff, author of Van Halen Rising With input from those who knew and worked with him—together with his own words—Total F*cking Godhead recounts the rise of Chris Cornell and his immortal band Soundgarden as they emerged from the 1980s post-punk underground to dominate popular culture in the ’90s alongside Pearl Jam, Alice In Chains, and Nirvana. “From his days as a struggling Seattle musician at the forefront of the grunge scene to becoming a global icon, Total F*cking Godhead thoroughly chronicles the life story and prolific output of one of the greatest and most influential singers of all time. You will discover the man and his music all over again.” —David de Sola, author of Alice in Chains: The Untold Story Seattle resident and rock writer Corbin Reiff also examines Cornell’s dynamic solo career as well as his time in Audioslave. He delves into his hard-fought battle with addiction, and the supercharged reunion with the band that made him famous before everything came to a shocking end. “For those of us still trying to sort out the tragedy of Chris Cornell's death comes this loving look back at the man's life and music. I wrote my own book about grunge, and I still learned a lot from this excellent biography.” —Mark Yarm, author of Everybody Loves Our Town: An Oral History of Grunge

This is the story about the rise and fall of ex AIC bass guitarist Mike Starr as told by Mike himself, members of his family and close friends.

Grunge Is Dead weaves together the definitive story of the Seattle music scene through a series of interviews with the people who were there. Taking the form of an "oral" history, this book contains over 130 interviews, along with essential background information from acclaimed music writer Greg Prato. The early '90s grunge movement may have lasted only a few years, but it spawned some of the greatest rock music of all time: Pearl Jam, Nirvana, Alice in Chains, and Soundgarden. This book contains the first-ever interview in which Pearl Jam's Eddie Vedder was willing to discuss the group's history in great detail; Alice in Chains' band members and Layne Staley's mom on Staley's drug addiction and death; insights into the Riot Grrrl movement and oft-overlooked but highly influential Seattle bands like Mother Love Bone/Andy Wood, the Melvins, Screaming Trees, and Mudhoney; and much more. *Grunge Is Dead* digs deeper than the average grunge history, starting in the early '60s, and explaining the chain of events that gave way to the grunge movement. The end result is a book that includes a wealth of previously untold stories and insight for the longtime fan, as well as its renowned story for the newcomer. *Grunge Is Dead* collects the whole truth of grunge music in one comprehensive volume.

John Jobling takes readers beyond the myth in this unauthorized biography to present the first comprehensive account of the illustrious Irish rockers in 25 years. Drawing on extensive interviews with insiders including record label scouts, studio presidents, politicians, music critics, and childhood friends, Jobling investigates the U2's most personal relationships and controversial business practices, delivering a vivid portrait that traces the rock phenomenon from its conception to post-punk champions to political crusaders. Filled with captivating revelations, reader will
