Life for private investigator Lizzy Gardner will never be the same. It's been three weeks since her fiancé, Jared, was shot on what was supposed to be their wedding day. He's in a coma now, and Lizzy is being forced to make a decision she might not be able to live with. But a string of deaths has forced her to get back to work. While they appear to be unrelated accidents at first glance, a closer look shows they all have something in common. More than a decade earlier, the victims were all members of the Ambassador Club at a Sacramento high school: a posh posse that bullied other students, one of whom remains tormented years later. In this pulse-pounding thriller from New York Times and USA Today bestselling author T.R. Ragan, Lizzy will need her colleagues and what's left of her wits to help her track down a cunning killer with a deadly revenge list before the next name--maybe hers--is crossed off for good.

Sacramento private investigator Lizzy Gardner is determined to find two missing women-- teenager Carol Fullerton, who vanished twenty-one years ago from a California highway and Diane Kramer, not seen for six months after empying her saving account.

Lizzy Gardner was just seventeen when she was kidnapped by the psychopath known as Spiderman, a serial killer terrorizing her California hometown. Fourteen years later, Lizzy is a successful private investigator and self-defense instructor. Wracked with guilt over being the only victim to survive, she's devoted her life to helping others protect themselves from the horrors she endured, but a single phone call brings the terror of the past crashing back. Spiderman has returned.

A serial killer is terrorizing Sacramento, preying on happily married couples and unleashing unspeakable cruelties upon his victims. The ordeal rekindles disturbing memories for private investigator Lizzy Gardner, who barely escaped a serial killer's clutches only years ago. But while most Sacramento residents are hiding in the shadows, paralyzed by fear, Lizzy is compelled to go after the Lovebird Killer.

Schoolteacher Faith McCann, the heroine of this searing first in a new crime series from Ragan (Evil Never Dies), returns one afternoon to her Sacramento, Calif., home to discover the members of her family bound and gagged: her husband, Craig, and their children, 10-year-old Lara and nine-year-old Hudson. The bad guys take the kids, slit Craig's throat, and leave Faith for dead after a vicious beating. After a stint in a drug-induced coma and intensive care, Faith finds new purpose in searching for Lara and Hudson and their captors. Frustrated by the slowness of the official investigation, Faith assaults a police detective and winds up in court-mandated anger control classes, where under the sobriquet "Furious" she meets "Rage" and "Beast." Rage and Beast become unlikely allies in her effort to penetrate the world of human trafficking, the evils of which are highlighted in chapters revealing what happened to Lara and Hudson. Readers with strong stomachs will eagerly await the next installment.

The biggest story of a crime reporter's career could be her last as fury, vengeance, and justice collide in this breathtaking thriller by New York Times bestselling author T.R. Ragan. Some call it murder. Others, karma. The female vigilantes dubbed The Black Wigs call it justice. The victims? Sexual predators who never paid for their sins. For three months, The Black Wigs byline has belonged to Sawyer Brooks, a crime reporter still struggling with her own demons. But for Sawyer, there's suddenly more to the story than just catching the dark web avengers. Copycat vigilantes are cornering the unchecked abusers of Sacramento and uploading the men's abject fear to social media. The trending insanity isn't making Sawyer's job any easier. Neither is a new murder--another predator, but one who doesn't fit so neatly into The Black Wigs' agenda. Something even more sinister is at play. As she follows every lead, someone with the answer is following her, determined to bring Sawyer to her knees. Because soon enough, for both Sawyer and a killer, the truth she's been looking for will be a punishing revelation.

Her own past could be a reporter's biggest story in this twisting thriller about murder and family secrets by the New York Times bestselling author T.R. Ragan. Plagued by traumatic childhood memories, crime reporter Sawyer Brooks still struggles to gain control of her rage, her paranoia, and her life. Now, after finally getting promoted at work, she is forced to return home and face her past. River Rock is where she'd been abandoned by her two older sisters to suffer alone, and in silence, the unspeakable abuses of her family. It's also where Sawyer's best friend disappeared and two teenage girls were murdered. Three cold cases dead and buried with the rest of the town's secrets. When another girl is slain in a familiar grisly fashion, Sawyer is determined to put an end to the crimes. Pulled back into the horrors of her family history, Sawyer must reconcile with her estranged sisters, who both have shattering memories of their own. As Sawyer's investigation leads to River Rock's darkest corners, what will prove more dangerous--what she knows of the past or what she has yet to discover?

In this page-turner of a thriller by bestselling author T.R. Ragan, unlikely partners PI Jessie Cole and crime reporter Ben Morrison search for clues to a mystery buried in their own pasts--only to discover that sometimes the truth is better off buried. Ten years ago, PI Jessie Cole and reporter Ben Morrison each

suffered a tragedy that changed their lives—and now these two strangers are about to share a nightmare. For Jessie, who makes her living finding missing persons, no case has consumed her more than the disappearance of her younger sister, Sophie. But left alone to raise Sophie’s daughter, she realizes that solving the case has become an unhealthy obsession. For Ben, a horrific car accident resulted in scars both physical and emotional—and amnesia that has made his life a mystery. But curiously, out of his shattered memories, there’s one person he recognizes without a doubt: Jessie’s sister. He just doesn’t know why. Yet. But Sophie isn’t the only phantom drawing Jessie and Ben together. An elusive serial murderer known as the Heartless Killer has reemerged from the shadows. His next move will cut even deeper into Jessie’s worst fears. And for Ben, what happens this time is going to be unforgettable.
