As Native Americans' homelands were seized, they were forced into reservations. Today, many Native Americans live in reservations. These are self-governing, which means they're not subject to state laws, but they're not quite sovereign nations, either. Here's what you need to know if you're driving through or visiting Indian reservations in the United States.

Native Americans, also known as American Indians, Indigenous Americans and other terms, are the indigenous peoples of the United States, except Hawaii and territories of the United States. There are 574 federally recognized tribes living within the US, about half of which are associated with Indian reservations. The term "American Indian" excludes Native Hawaiians and some Alaskan Natives, while ...

Native Americans in the United States - Wikipedia

In U.S. law the term "Indians" refers generally to the indigenous peoples of the continent at the time of European colonization. "Alaska Natives" and "Native Hawaiians" refer to peoples indigenous to the areas occupied by those named states. The terms "tribe" or "band" designate a group of Indians of the same or similar heritage united in a community under one leadership or government and inhabiting a particular territory.
