Amazon.co.uk: america's war for the greater middle east

Thirty years ago Jimmy Carter declared the Persian Gulf a "vital" focus of American foreign policy. Since then, U.S. forces have invaded, occupied, garrisoned, bombed or raided 18 nations, absorbing thousands of casualties and getting little in return in terms of peace or goodwill. Andrew Bacevich, the military historian, veteran and professor of international relations at Boston University calls it America's War for the Greater Middle East and says there's no end in sight.

America's War for the Greater Middle East – A Book Review Reviewed by Jim Miles. Andrew J. Bacevich. ... Andrew Bacevich has written a series of books on the topic of U.S. Early Beginnings. He starts off saying the GME War "was a war to preserve the American way of life, rooted in a specific....

America's War for the Greater Middle East - A Book Review...

America's War for the Greater Middle East is a valuable book flawed by trying to cram too much into a single thesis, by focusing too much on the United States and its military, by omitting discussion of available alternatives, by dismissing America's need to lead in the world without discussing whether the world would be better off without such leadership, and by relying too much on a scathing tone as a substitute for analysis.

?America's War for the Greater Middle East on Apple Books

America's War for the Greater Middle East: A Military History By Andrew J. Bacevich Bacevich, a historian and retired U.S. Army officer, brings welcome expertise to what he sees as the militarization of U.S. policy in the Middle East, which he dates to President Jimmy Carter's 1979 decision to defend the Persian Gulf region.

America's War for the Greater Middle East: A Military...

In America's War for the Greater Middle East he is at his best, examining our strategic missteps in the region. Bacevich's deconstruction of what has gone wrong for the United States there is devastating, though he is careful to put failed decisions into the proper historical, political, and social contexts.
