A New York Times Bestseller There are more older people in America today than ever before. They are our parents and grandparents, our aunts and uncles and in-laws. They are living longer, but in a culture that has come to worship youth--a culture in which families have dispersed, communities have broken down, and older people are isolated. Meanwhile, adults in two-career families are struggling to divide their time among their kids, their jobs, and their aging parents--searching for the right words to talk about loneliness, forgetfulness, or selling the house. Another Country is a field guide to this rough terrain for a generation of baby boomers who are finding themselves unprepared to care for those who have always cared for them. Psychologist and bestselling writer Mary Pipher maps out strategies that help bridge the gaps that separate us from our elders. And with her inimitable combination of respect and realism, she offers us new ways of supporting each other--new ways of sharing our time, our energy, and our love.

More than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before. Leaving his teaching job at Harvard, Ram Dass embodied the role of

spiritual seeker, showing others how to find peace within themselves in one of the greatest spiritual classics of the twentieth century, the two-million-copy bestseller *Be Here Now*. As many of that generation enter the autumn of their years, the big questions of peace and of purpose have returned demanding answers. And once again, Ram Dass blazes a new trail, inviting all to join him on the next stage of the journey.

In this inspiring memoir, the author of *Reviving Ophelia* explores her personal search for understanding, tranquility, and respect through her work as a psychologist and seeker. "There are three kinds of secrets," Pipher says. "Those we keep from everyone,

#1 New York Times Bestseller The groundbreaking work that poses one of the most provocative questions of a generation: what is happening to the selves of adolescent girls? As a therapist, Mary Pipher was becoming frustrated with the growing problems among adolescent girls. Why were so many of them turning to therapy in the first place? Why had these lovely and promising human beings fallen prey to depression, eating disorders, suicide attempts, and crushingly low self-esteem? The answer hit a nerve with Pipher, with parents, and with the girls themselves. Crashing and burning in a "developmental

Bermuda Triangle,” they were coming of age in a media-saturated culture preoccupied with unrealistic ideals of beauty and images of dehumanized sex, a culture rife with addictions and sexually transmitted diseases. They were losing their resiliency and optimism in a “girl-poisoning” culture that propagated values at odds with those necessary to survive. Told in the brave, fearless, and honest voices of the girls themselves who are emerging from the chaos of adolescence, *Reviving Ophelia* is a call to arms, offering important tactics, empathy, and strength, and urging a change where young hearts can flourish again, and rediscover and reengage their sense of self.

From the New York Times bestselling author of *Reviving Ophelia*, a guide to wisdom, authenticity, and bliss for women as they age. Women growing older contend with ageism, misogyny, and loss. Yet as Mary Pipher shows, most older women are deeply happy and filled with gratitude for the gifts of life. Their struggles help them grow into the authentic, empathetic, and wise people they have always wanted to be. In *Women Rowing North*, Pipher offers a timely examination of the cultural and developmental issues women face as they age. Drawing on her own experience as daughter, sister, mother, grandmother, caregiver, clinical psychologist, and cultural anthropologist, she

explores ways women can cultivate resilient responses to the challenges they face. "If we can keep our wits about us, think clearly, and manage our emotions skillfully," Pipher writes, "we will experience a joyous time of our lives. If we have planned carefully and packed properly, if we have good maps and guides, the journey can be transcendent."

Examines the effects of food, weight, and dieting on a woman's self-image, discusses eating disorders in children, and promotes positive thinking and a healthy lifestyle as means to overcome eating disorders

Describes the psychological pitfalls faced by teenage girls growing up in a dangerous world in which violence, sexual harassment, eating disorders, promiscuity, and drug use have become the norm.

This invaluable guide will help the historical number of eightysomethings live fulfilled, happy lives long into their twilight years. Old age is not what it used to be. For the first time ever, most people in the United States are living into their eighties. The first guide of its kind, Eightysomethings changes our understanding of old age with an upbeat and emotionally savvy view of the uncharted

territory of the last stage of life. With insight and humor, Dr. Katharine Esty describes the series of dramatic and difficult transitions that eightysomethings usually experience and how, despite their losses, they so often find themselves unexpectedly happy. Living into one's eighties doesn't have to mean declining health and loneliness: Dr. Esty shows readers how to embrace—and thrive during—the later stages of life. Based on her more than 120 interviews around the country, Esty explores the lives of ordinary eightysomethings—their attitudes, activities, secrets, worries, purposes, and joys. Their stories illustrate how real people in their eighties are living and how they make sense of their lives. Esty adds her wisdom and perspective to this multi-dimensional look at being old as a social psychologist, a practicing psychotherapist, and as an eighty-four-year-old widow living in a retirement community. Eightysomethings is a must-read for people in their eighties, and also for their families. Adult children—often bewildered by their aging parents—need a wise guide like Eightysomethings to help them navigate their parents' last stage of life with real-world guidelines and conversation starters. Readers, young and old alike, will find this first-of-its-kind book eye-opening, comforting, and filled with practical tips.
