Simplifying the complex chemical reactions that take place in everyday through the well-stated answers for more than 600 common chemistry questions, this reference is the go-to guide for students and professionals alike. The book covers everything from the history, major personalities, and groundbreaking reactions and equations in chemistry to laboratory techniques throughout history and the latest developments in the field. Chemistry is an essential aspect of all life that connects with and impacts all branches of science, making this readable resource invaluable across numerous disciplines while remaining accessible at any level of chemistry background. From the quest to make gold and early models of the atom to solar cells, bio-based fuels, and green chemistry and sustainability, chemistry is often at the forefront of technological change and this reference breaks down the essentials into an easily understood format.

In the quaint farm village of Saint-Ferdinand, an ancient evil lurks—threatening to destroy the town and its residents.

“A modern suburban fantasy . . . There are quests and complications, conflicts and charms. . . . Card’s back in top form, doing as well as or better than any of his fantasy work so far.”—The San Diego Union-Tribune In a prosperous African American neighborhood in Los Angeles, infant Mack Street is found abandoned in an overgrown park and taken in by a blunt-speaking single woman. Growing up, Mack senses that he is different from most, and knows that he has strange powers. Yet he cannot possibly understand how unusual he is

until the day he discovers, beyond a mysterious narrow house no one else can see, an entryway into a magical world. Passing through, Mack is plunged into a realm where time and reality are skewed, a place where his actions seem to have disturbing effects in the "real world." Whether he likes it or not, Mack has become a player in an epic drama. His reward, if he can survive the trip, is discovering not only who he really is . . . but why he exists. Praise for *Magic Street* "A great read . . . Card's take on his characters [is] as sure as ever, his narrative rock solid, his dialogue crackling and authentic." *Los Angeles Times Book Review* "[Card] is a master at creating a sense of urgency that keeps you turning pages." *The Charlotte Observer* "Mind-bending . . . Card's clever tale comes with sharp writing and crisp dialogue." *The Tampa Tribune* "Compelling . . . By the time the ultimate conflict comes into focus, the novel is propelling the reader forward like a bullet." *Deseret Morning News* "A suspenseful fantasy thriller that, during the race to the last page, has one mulling over myth, morals, salvation, and will." *Booklist*

A novel of a twentysomething, Algerian-born woman living on the edge in France, from "one of the hottest literary talents of multicultural Europe" (*Sunday Telegraph*). When Ahlème's mother was killed in a village massacre, she left Algeria for France with her father and brother and never returned. Now, more than a decade later, she is practically French, yet in many ways she remains an outsider. Ahlème's dreams for a better life have been displaced by the harsh realities she faces every day. Her father is unable to work after an accident at his construction site and her brother boils over with adolescent energy, teetering dangerously close to choosing a life of crime. As a temporary resident, Ahlème could at any moment be sent back to a village and a life that are now more foreign than Paris. In *Some Dream for Fools*,

Faïza Guène explores the disparity between the expectations and limitations of immigrant life in the West and tells a remarkable story of one woman's courage to dream. "With a keen eye for detail and a sharp narrative tone, [Guène] gives voice to a hurt too long unrecognized. . . . [She] takes us into another world—a world that no nation today can afford to ignore." —The Christian Science Monitor

The Wyoming Project is a story with a most intriguing cast of characters: Bad Elvis, Pirate, Smoke, Hippie, Zoomer, Mia, Starlet, and the middle-aged, eccentric, and perhaps crazed institution icon, Uncle Rich. This wonderfully witty tall tale illuminates the paths of their lives lived, living, and to be lived with all roads leading to The Macadamia Ranch, Wind River, Wyoming. Invoking sandlot rules from days gone by, Uncle Rich issues a writ to his closest friends, The Electric Seven, requesting a most vital formal gathering. "Busy busy bees are my friends. Ah, but they have lives to live. Well intentioned we are to get together, alas we never do. By damn, it's time to take the bulls by the horns and the cows by the teats! They have left me no choice. This is the year the calendar stops! It's conclave time!" To insure no one dare attempt to back out of this compulsory meeting, he enlists the help of his reluctant nephew Jimmy, an ex-Army logistics specialist, to covertly manipulate the schedules of the eclectic group and to hand deliver summons to each. Jimmy is unaware that he is the focal point of his uncle's carefully crafted plan. The Electric Seven are unaware of the duties that await them. With its endearing plot, uproarious scenes and dialogues, not to mention a nostalgic twenty-five song soundtrack featuring Bob Seger, Sir Elton John, Gnarl's Barkley, Queen, The Pretenders, Alice Cooper, U2, The Rolling Stones, Red Hot Chili Peppers et. al., The Wyoming Project is a book that readers will find hard to put down.

#1 NEW YORK TIMES BESTSELLER The stunning debut novel from one of the most creative artists of our generation, Bobby Hall, a.k.a. Logic. "Bobby Hall has crafted a mind-bending first novel, with prose that is just as fierce and moving as his lyrics. Supermarket is like Naked Lunch meets One Flew Over the Cuckoo's Nest if they met at Fight Club." Ernest Cline, #1 New York Times bestselling author of Ready Player One Flynn is stuck—depressed, recently dumped, and living at his mom's house. The supermarket was supposed to change all that. An ordinary job and a steady check. Work isn't work when it's saving you from yourself. But things aren't quite as they seem in these aisles. Arriving to work one day to a crime scene, Flynn's world collapses as the secrets of his tortured mind are revealed. And Flynn doesn't want to go looking for answers at the supermarket. Because something there seems to be looking for him. A darkly funny psychological thriller, Supermarket is a gripping exploration into madness and creativity. Who knew you could find sex, drugs, and murder all in aisle nine?
