Physicians can be better doctors by being

File Type PDF Better Doctors Better Patients

patients. Kevin R. Campbell, MD |
Physician | December 31, 2012. Physicians
are terrible patients. That fact is one of the
few absolutes in medicine. I can remember
developing an acute appendicitis as a
medical student. I remember the fear, the
uncertainty and the discomfort.

Sometimes patients have to reorganise and retrain clinicians to receive the high quality healthcare that is in our best interests.² We both have Parkinson's disease and experience a complex array of motor and non-motor symptoms. Here is a glimpse at the invisible work that, in our experience, leads to better care.
