In his book, *Beyond Bumper Sticker Ethics*, author Steve Wilkens discusses nine ethical views that are prevalent in cultures today. Although the systems are sometimes vague, and his discussions, a bit biased, I find myself fortunate because I seem to agree with most of his opinions that he lets slip. The first ethical belief that the author discusses is Cultural Relativism.

introductory remarks about each ethical system and has included new chapters on evolutionary ethics and narrative ethics.

Steve Wilkens and Mark Sanford show how to detect the individualism, consumerism, nationalism, moral relativism, scientific naturalism, New Age thinking, postmodern tribalism and salvation as therapy that fly under our radar. Building on the work of worldview thinkers like James Sire, this book helps those committed to the gospel story recognize those rival cultural stories that compete for our hearts and minds.

Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking.

Christian ethics is a most perplexing subject. This Guide takes the reader through the most fundamental issues surrounding the question of Ethics from a Christian perspective: Is ethics a meaningful topic of discourse and can there be such a thing as an ethical argument or ethical persuasion? What is the meaning of the adjective in "Christian Ethics"? Could right behavior be different for Christians than it is for others? Can we turn to the Bible for help? Does the Bible tell us what to do, or give us insight into the good we should aim to

achieve, or give us a narrative by which to live? Is it best to think of ethics as a matter of duty, or good, or excellence? If we take the virtue line and say that ethics is about human excellence, doing well as a human being or succeeding at being a good human being then what will we say about humans who cannot achieve excellence? The virtue approach leads us to place friendship as the goal of ethics.

The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically. But in our media-saturated age when many claim to speak for God, how can we evaluate the avalanche of supposedly prophetic speech? What does

it mean to truly be prophetic? And when Christians should speak prophetically, how can they do so in a biblical and effective way? Using vivid examples, this book offers clear guidelines for creating, critiquing, and consuming popular media, as well as practical suggestions for faithful communication. It also helps readers think critically about communication technology. The book includes a foreword by Quentin Schultze and a preface by Clifford Christians.

to the ethical nature of communication. Now in its second edition, the text has been revised to further address current issues, such as: evolving social media and digital platforms, growing cultural communication and discussion of diversity, and the ethics of public discourse. This book combines coverage of the major systems of ethical reasoning with applications, including case studies in each chapter, to investigate ethics within many fields in the communication discipline. Incorporating a simple framework for ethical reasoning allows the reader to develop their own understanding of the various criteria for making ethical judgments.

This volume offers a fresh, timely, practical look at eleven key Christian virtues: faith, open-mindedness, wisdom, zeal, hope, contentment, courage, love, compassion, forgiveness, and humility. Writing from a distinctively Christian perspective, the authors thoughtfully explore and explain these select virtues, seeking to nurture readers in lifelong character growth and to promote the centrality of the virtues to the Christian faith. Grouped under the headings Faith, Hope, and Love, the chapters each conclude with questions for further reflection. Contributors: Michael W. Austin Jason Baehr Rebecca Konyndyk DeYoung R.
