A “ profoundly creepy and creepily convincing thriller ” of religious fanatics and hoax debunkers from the Edgar Award–winning author of Hanging Hill (Publishers Weekly, starred review) Journalist Joe Oakes makes a living exposing supernatural hoaxes, but when he visits a secretive religious community on a remote Scottish island, everything he thought he knew is overturned. Following the trail of a strange creature caught briefly on film, so deformed it can hardly be human, Oakes crosses a border of electrical fencing, toxin-filled oil drums, and pig skulls to infiltrate the territory of the groups ' isolated founder, Malachi Dove. Their confrontation, and its violent aftermath, is so catastrophic that it forces Oakes to question the nature of evil—and whether he might be responsible for the heinous crime about to unfold . . .
