I'm pleased to report that we were the winning team. There were, I'm guessing, three tutorial sections in the class, each with eight cafes competing against each other. Not only did we win our section, but we were the top-earning cafe in the whole class, and by a wide margin--the professor said we won by about \$10,000. (Our final lead in ...

At the start, we spent \$2,800, and presumably, so did Derosa Coffee House and Cafe Loco, who also had increases in brand awareness of 7.2 points. I'm guessing Java Latte spent the maximum \$4,200, which yielded an increase of 10.9. Entering week 2, it looks like Java Latte, Good Brews, and Derosa each spent the maximum \$4,200, while Cafe Loco spent less. I was pretty much only concerned with ...

We just got started on the group work for our Cafe, so updated reports will be coming in shortly. Before starting the group work, each person was required to take the stimulation quiz. This quiz is a large part of our individual grade, so I figured I'd post this to help others or myself later on. I'm not positive if all the questions were the same, but this is how mine went: 1) Approximately ...
