The air-cooled boxer BMW twins were among the most significant motorcycles of the late 1970s and 1980s, providing an unparalleled combination of comfort, reliability, and performance. Written by a world-renowned motorcycle journalist and featuring 190 colour photographs, here is the authoritative work on these machines.

Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.
