Shogo and friends return to the room where they last spoke with Alus, but this time around, it's in complete disarray, and there are suspicious gashes on the walls. The room appears empty, but could something sinister be lurking behind the door? Read the next chapter of Final Fantasy Lost Stranger the same day as Japan!

Coffee is one of the most popular drinks in the world but how does the production influence chemistry and quality? This book covers coffee production, quality and chemistry from the plant to the cup. Written by an international collection of contributors in the field who concentrate on coffee research, it is edited expertly to ensure quality of content, consistency and organization across the chapters. Aimed at advanced undergraduates, postgraduates and researchers and accompanied by a sister volume covering how health is influenced by the consumption of coffee, these titles provide an impactful and accessible guide to the current research in the field.
