Chapter 2: Family, social, cultural, and religious ...

Ans. The Indian Constitution allows individuals the freedom to live by their religious beliefs and practices as they interpret these. In keeping with this idea of religious freedom for all, India also adopted a strategy of separating the power of religion and the power of the State. Secularism refers to this separation of religion from the State.

Philosophy of Religion: Chapter 2. Religions of the World. Section 4. Buddhism : You should read enough of the materials presented in this section concerning the tradition of Buddhism in order to understand how this tradition displays the characteristics or elements that make a tradition one that would be termed a "religion. The tradition presented in the materials below is one of the wo

Buddhism - Queensborough Community College

Another generational trend reflected an increasing separation of religious practice from traditional church worship and religion. The growing emphasis on spirituality, first described by Early Boomers, increasingly separated devotional practices from religious institutions for a growing number of Gen Xers and Millennials who said they were "spiritual but not religious."
