Brisk history of Western Civilization, an a fine counterpoint to the linear, triumphalist narrative we grow up in. Of course, it's short (500 pages) considering its subject, so it leaves quite a bit out. And he's wrong about Beethoven, who, contrary to Osborne, ended up hating Napoleon. Getting something wrong with Beethoven is unconscionable.

## **Civilization: A New History of the Western World: Osborne ...**

Aided by their division of labour and central government planning, civilizations have developed many other diverse cultural traits. These include organized religion, development in the arts, and countless new advances in science and technology.. Through history, successful civilizations have spread, taking over more and more territory, and assimilating more and more previously-uncivilized people.
