- Development of the plan must be a true partnership.

Community policing

Online Library Community

necessitates that the community itself have a voice and so should officers of all ranks. Soliciting ideas from these groups separately will not yield the same results, and meetings in which one group or the other does not participate will be unproductive.

Online Library Community

~~Community Policing To
Strategic Plan – Police
Chief Magazine~~

Community policing, or community-oriented policing (COP), is a strategy of policing that focuses on building ties and working closely with members of the community. It is a philosophy of full-service policing that is

Online Library Community

highly personal, where an officer patrols the same area for a period of time and develops a partnership with citizens to identify and solve problems.

~~Community policing—
Wikipedia~~

In community policing, the police become part of the community.

Online Library Community

Consequently, the police get a better sense of resident's security needs and engender trust between the residents of the community and the police. Community policing forums must also be broadened to include residents from all ethnic, religious, occupational, and age groups in the
