...

The Second Edition of Correctional Theory: Context and Consequences continues to identify and evaluate the major competing theories used to guide the goals, policies, and practices of the correctional system. Authors Francis T. Cullen and Cheryl Lero Jonson demonstrate that changes in theories can legitimize new ways of treating and punishing offenders, and they help readers understand how transformations in the social and political context of U.S. society impact correctional theory and policy.

Correctional Theory Contexts And Consequences

-If you want to understand why theory matters to current correctional policy, you simply must read Cullen and Jonson's brilliantly written and documented book Correctional Theory: Context and Consequences. They provide an often amusing and yet insightful discussion of the way in which the underlying theories have shaped and been shaped by the prevailing social and political context, and indeed prove that theories matter, context matters, and evidence matters.
