This book traces the figure of the lost child in Australia's history and imagination.

The figure of the lost child has haunted the Australian imagination. Peter Pierce's original and sometimes shocking study *The Country of Lost Children* traces this ambivalent and disturbing history. Drawing on a wide range of sources, from poetry, fiction and newspaper reports to paintings and films, *The Country of Lost Children* analyzes the cultural and moral implications of the lost child in Australian history and illuminates a crucial aspect of our present condition. At its core are confronting, often troubling, questions about childhood itself.

FINALIST FOR THE 2019 KIRKUS PRIZE FOR FICTION FINALIST FOR THE 2020 ANDREW CARNEGIE MEDAL LONGLISTED FOR THE 2019 BOOKER PRIZE LONGLISTED FOR THE 2020 ASPEN WORDS LITERARY PRIZE ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR ONE OF THE BEST BOOKS OF THE YEAR: THE WASHINGTON POST * TIME MAGAZINE * NPR * CHICAGO TRIBUNE * GQ * O, THE OPRAH MAGAZINE * THE GUARDIAN * THE DALLAS MORNING NEWS * LIT HUB * KIRKUS REVIEWS * THE NEW YORK PUBLIC LIBRARY In Valeria Luiselli's fiercely imaginative novel, a mother and father set out with their two children, a boy and a girl, driving from New York to Arizona in the heat of summer. As the family travels west, through Virginia to Tennessee, across Oklahoma and Texas, the bonds between them begin to fray: a fissure is growing between the parents, one the children can almost feel beneath their feet. Through songs and maps and a Polaroid camera's lens, the children try to make sense of both their family's crisis and the larger one engulfing the news: the stories of thousands of kids trying to cross the southwestern border into the United States but getting detained--or lost in the desert along the way. A breath-taking feat of literary virtuosity, *Lost Children* is timely, compassionate, subtly hilarious, and formally inventive--a powerful, urgent story about what it is to be human in an inhuman world.

As they walked towards the railway station, their mother took an envelope from her handbag. 'I want you to keep this somewhere safe.' 'What's in the letter?' 'Listen carefully. You're never to open it unless you or your sister are in real trouble. Promise me.' England, 1943: Home is no longer safe for eight-year-old twins Molly and Jacob. Night after night wailing bombs and screeching planes skim the rooftops overhead. They cradle each other, shivering in terror, not knowing if they will live to see dawn. Their mother, Martha, has no choice but to evacuate them to the safety of the countryside. At the train

station, Martha bites back tears as she says goodbye to her precious children. Knowing she might never see them again, she gives Jacob a letter, pressing the envelope into his hands and telling him to only read it if they are in danger. In the country, Molly and Jacob must adjust to life with strangers. Every night they dream of returning home to the arms of their beloved mother. But then the unimaginable happens. Martha is killed in an explosion, leaving the twins all alone in the world. The war has robbed Molly and Jacob of everything - all they have left is one another. Motherless and destitute, they face the grim reality of life in an orphanage. The time has finally come for Jacob to open the letter. What secret does it hold, and could it change the course of their tragic fate? Because if they are together, they can survive anything - but what if they are torn apart? From the bestselling author of *The Orphan Sisters* comes an utterly heartbreaking and unforgettable tale of two children who must lean on each other in a time of tragedy and learn the shocking truth of their past. Fans of *Wives of War*, Lisa Wingate and *Diney Costeloe* will be swept away by this sublime World War Two novel. Readers absolutely love *The Lost Children*: 'THIS. BOOK. WAS. AMAZING. It made me sob so bad... Beautiful... Everything was perfect.' *The Confessions of a Music and Book Addict*, [REDACTED] 'Completely captivated me... Completely heartwarming and uplifting... Managed to leave me with a smile on my face and a happy feeling in my heart... I was caught at the very first page didn't put it down until I'd finished it!... You will absolutely love this!!... Such a wonderful read!!!' *Stardust Book Reviews*, [REDACTED] 'Outstanding... What a fantastic page-turner!... Heart-breaking... Keep the tissues handy because you will need them!' *Goodreads Reviewer*, [REDACTED] 'A gripping storyline from beginning to the end!... So compelling that I was brought to tears... I would give it more than 5 stars if I could!' *Goodreads Reviewer*, [REDACTED] 'What an overwhelming, heart-touching book. This book is so perfect... So emotional... This author deserves 5 perfect stars.' *The Book Chic Blog*, [REDACTED] 'A hauntingly beautiful story... Had me captivated from the first page... Beautiful yet heartbreaking... Keeps you glued to the pages... You never want the book to end.' *Goodreads Reviewer* 'This book had me sucked right in. I didn't want to stop reading it. I was hooked... Utterly fantastic story... Heartbreaking... I will admit to shedding tears. So tissues are a necessity when reading this absolutely awesome book.' *Goodreads Reviewer*, [REDACTED] 'Had me in tears.' *Goodreads Reviewer*, [REDACTED] 'Another wonderful book from Shirley Dickson that kept me hooked from start to finish and I can highly recommend this book.' *Goodreads Reviewer*, [REDACTED]

Fans of *Wives of War*, Lisa Wingate and *Diney Costeloe* will be swept away by this sublime World War Two novel.

After their mother falls mysteriously ill, eleven-year-old twins Gus and Leo and their mute younger sister, Ila, learn that they share their mother's ability to transform into animals, and to defeat the evil King of the Black Lakes, they must harness this newfound power.

Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, *The Children of Men* is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

Twelve-year-old Josephine Russing lives alone with her father. Mr. Russing is a distant, cold man best known for his insistence that every member of their town wear gloves at all times, just as he does--even at home--and just as he forces his daughter to do as well. Then one day Josephine meets a boy named Fargus. But when she tries to follow him, he mysteriously disappears and Josephine finds herself in another world called Gulm. Gulm is ruled by the "Master," a terrifying villain who has taken all the children of Gulm. With Fargus by her side, and joined by Fargus's friend Ida, Josephine must try to find her way home. As the trio attempt to evade the Master, they encounter numerous adventures and discover the surprising truth about the land of Gulm, and Josephine's own life back home.

A REESE'S BOOK CLUB PICK and INSTANT NEW YORK TIMES BESTSELLER "A profound, beautiful novel." - People * "Poignant." -BuzzFeed * "A breathtaking story of the unimaginable prices paid for a better life." -Esquire This "heartbreaking portrait of a family dealing with the realities of migration and

separation" (Time) is "a sweeping love story and tragic drama [and] an authentic vision of what the American Dream looks like in a nationalistic country" (Elle). I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the family's splintering—the costs they've all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, *Infinite Country* "is as much an all-American story as it is a global one" (Booklist, starred review).
