the imagination and the growth of contemporary social movements, Haiven provides a powerful argument for creating an anti-capitalist commons.

~~Crises of Imagination, Crises of Power – Max Haiven~~

In ~~Crises of Imagination, Crises of Power~~ (Zed Books, forthcoming), I argue that this sense of futility is the residual effect of the way capitalism ‘encloses’ not only our time, our communities and our environment; but also our imaginations. Enclosure here is a metaphor borrowed from the process by which medieval peasants were dispossessed of their common lands and forced to rely on wage labor for survival.

~~Crises of Imagination, Crises of Power~~ — Max Haiven

This 'imaginary crisis' is the result of a deficit of social imagination. Many people find it hard to picture a plausible and desirable society a generation or two in the future. Some fields are good at thinking far into the future – business invests heavily in visions of future smart homes, smart cities
