Damascus Countdown continues where The Tehran Initiative left off. Mr. Rosenberg's writing style allows you to pick up and read and still know what is going on without having read any of the previous books. Joel Rosenberg does not shy away from end time prophecy, nor does he back off from prominently displaying the faith of his Christ

After Israel declares war on Iran, CIA operative David Shirazi infiltrates the Iranian regime and intercepts information indicating that two Iranian nuclear warheads have been moved to a secure and undisclosed location.

After Israel declares war on Iran, CIA operative David Shirazi infiltrates the Iranian regime and intercepts information indicating that two Iranian nuclear warheads have been moved to a secure and undisclosed location.

What if the Islamic Messiah Comes to Earth? What if The World Waits too long... and Iran Develops Nuclear Weapons? Tensions are rising in the Middle East. Iran's president vows to annihilate the United

States and Israel. Israel's prime minister says someone must hit Iran's nuclear sites "before it's too late." The American president warns against a preemptive strike on Iran's nuclear facilities and says negotiations are the key to finding peace. And amid it all, rumors are swirling throughout the region of a mysterious religious cleric claiming to be the Islamic messiah known as the Mahdi or the Twelfth Imam. Word of his miracles, healings, signs and wonders is spreading like wildfire. CIA operative David Shirazi was born for this moment. He is recruited and sent into Tehran with one objective: use all means necessary to disrupt Iran's nuclear weapons program, without leaving American fingerprints and without triggering an apocalyptic new war. But time is running out. The Twelfth Imam is the first novel in a new political thriller series by Joel C. Rosenberg, the New York Times bestselling author of the award-winning Last Jihad series. Rosenberg takes you inside a world few will ever enter, hold on to your seat – the twists and turns never stop coming.

Book 2 in the bestselling 3-book espionage and spy thriller series that has sold 700,000 copies! New York Times bestselling author Joel C. Rosenberg returns with a pulse-pounding tale of international intrigue that will keep you on the edge of your seat and wondering . . . what if this worst-case scenario comes true? Is it fiction, or is it real? The world is on the brink of disaster. Iran has just conducted its first atomic weapons test. Millions of Muslims around the world are convinced their messiah known as the Twelfth Imam has just arrived on earth. Israeli leaders fear Tehran, under the Twelfth Imams spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a massive preemptive attack against Iran's nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran's nuclear warheads before Iran or Israel can launch a devastating first strike. But will they be too late?

This is the first book in English to relate the history of Damascus, bringing out the crucial role the city has played at many points in the region's past. Damascus traces the history of this colourful, significant and complex city through its physical development, from the city's emergence in around 7000 BC through the changing cavalcade of Aramaean, Persian, Greek, Roman, Byzantine, Arab, Mongol and French rulers right up to the end of Turkish control in 1918. In Damascus, every layer of the history has built precisely on top of its predecessors for at least three millennia, leaving a detailed archaeological record of one of the oldest continuously inhabited cities in the world. The book looks particularly at the interplay between the western and eastern influences that have provided Damascus with such a rich past, and how this perfectly encapsulates the forces that have played over the Middle East as a whole from the earliest recorded times to the present. Lavishly illustrated, *Damascus: A History* is a compelling and unique exploration of a fascinating city.

A terrible darkness has fallen upon Jacob Weisz's beloved Germany. The Nazi regime, under the leadership of Adolf Hitler, has surged to power and now hold Germany by the throat. All non-Aryans—especially Jews like Jacob and his family—are treated like dogs. When tragedy strikes during one terrible night of violence, Jacob flees and joins rebel forces working to undermine the regime. But after a raid goes horribly wrong, Jacob finds himself in a living nightmare—trapped in a crowded, stinking car on the train to the Auschwitz death camp. As World War II rages and Hitler begins implementing his "final solution" to systematically and ruthlessly exterminate the Jewish people, Jacob must rely on his wits and a God he's not sure he believes in to somehow escape from Auschwitz and alert the world to the Nazi's atrocities before Fascism overtakes all of Europe. The fate of millions hangs in the balance.

In his first nonfiction work, a best-selling author delves into the future of Iraq after Saddam, Russia after

Communism, Israel after Arafat, and Christianity after radical Islam, using faith and Scripture as a guide to understanding the past and future.

Is the crisis in the Middle East hurtling toward the point of no return? Israel's prime minister, Benjamin Netanyahu, tells the U.N. that Iran could have nukes by spring. Iran's president, Mahmoud Ahmadinejad, has called for the end of the United States and Israel. Chaos is erupting throughout the region. Rumors abound of an impending Israeli first strike against Iran's nuclear program. Is war imminent? New York Times best-selling author Joel C. Rosenberg looks at the events developing in the Middle East and asks the tough questions: Could Israel launch a preemptive strike at any moment? How might an Israel-Iran war set the Middle East on fire? What should we be watching for? *Israel at War* will help you understand what is happening right now behind the scenes in this volatile region—and how this high-stakes showdown could affect the future of the Middle East and the world.

Do recent changes in the Middle East signal peace? One Arab country after another is signing historic, game-changing peace, trade, investment, and tourism deals with Israel. At the same time, Russia, Iran, and Turkey are forming a highly dangerous alliance that could threaten the Western powers. Meanwhile, the U.S. is drawing down its military forces in the Mideast and focusing on matters closer to home. Where is it all heading? New York Times bestselling author Joel C. Rosenberg, based in Jerusalem, skillfully and clearly explains the sometimes-encouraging, sometimes-violent, yet rapidly shifting landscape in Israel and the Arab/Muslim world. *Enemies and Allies* will take readers behind closed doors in the Middle East and introduce them to the very kings and crown princes, presidents and prime ministers who are leading the change. Includes exclusive, never-before-published quotes, insights, and analysis from the author's conversations with some of the most complex and controversial leaders in the world: Saudi Crown Prince Mohammed bin Salman (MBS) Egypt's President Abdel Fattah el-Sisi Jordan's King Abdullah II United Arab Emirates Crown Prince Mohammed bin Zayed (MBZ) Israeli prime minister Benjamin Netanyahu Israeli president Reuven Rivlin
