Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God.

“When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him.” Are you longing to hear God’s voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few “spiritual elite.” Priscilla Shirer looks at God’s call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God’s presence A servant SPIRIT, submitted to God’s call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly.

Based on classic Experiencing God principles, Hearing God's Voice is for those who are ready to listen. Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God, to identify ways He speaks, and to respond to His revelations of His will. God speaks to individuals in ways that are personal and unique to each person. God will never say anything that contravenes what He has said in the Bible, and usually He confirms what He has said. After you learn to listen to God, hearing from God will be as natural as communicating with a close friend.

We are living in such critical times today that it is imperative for believers to learn to use every tool given to us by the Holy Spirit. We are called to be kingdom influencers—to discern the times in which we live, to discern the moves of the Holy Spirit, and to discern angels and demons. With extensive expertise and personal experience, prophetic leader Jane Hamon takes a deep dive, biblically and practically, into one of the least known and most unused gifts of the Holy Spirit, covering the following topics: - discerning the presence of God - discerning the times - discerning angels and demons - discerning the hearts of people around you - acting wisely with what you discern - walking in wisdom and balance - and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God's kingdom on earth.

Living with a deeper awareness of God's leading isn't just for a select few...it's for you too! Have you ever wondered if God still speaks to us today? Or do you worry that what you're perceiving as God's voice is really just your own thoughts? You're not alone. In *Is God Speaking to Me?*, Lysa TerKeurst shares her own wrestling with these questions and how God has taught her to more clearly discern His direction in her everyday life. Using Scripture,

encouraging personal stories, and practical application, Lysa will help you: Stop merely going through the motions of life by learning how to recognize and respond to the Lord's divine appointments for you. Uncomplicate the idea of listening to God as you use five key questions to help you determine if what you're discerning is from Him or not. Discover the joy of truly walking with the Lord as you learn how to live in expectation of hearing from Him. Is God Speaking to Me? is both an invitation to a life of adventure with the Lord and the tender reminder that we serve a God who loves us deeply and longs to speak to us personally.

Many of us do not trust our own thoughts, feelings, and desires when it comes to discerning God's will. Instead we look outside ourselves to determine what God wants from and for us. In *God's Voice Within*, spiritual director Mark E. Thibodeaux, SJ, shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources, but from God working through us. *God's Voice Within* is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment—specifically Ignatian discernment—a daily practice. Ultimately, *God's Voice Within* teaches us to discern what is at the root of our actions and emotions, which in turn allows us to respond to God's promptings inside us rather than unconsciously reacting to life around us.

When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice—but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears—and responds to—God's still, small voice. "With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."—Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

The *Armor of God*, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.
