Strategy. There's nothing secretive about my way of doing eBay, so I happily share it below. Before I start, however, I must emphasise that this isn't easy money. My wife and I have a good system going for eBay. I tend to do the listing, picking and photographing, and she does the customer service and the posting.

eBay: If your things are small and easy to ship, eBay allows you to market them to people all over the country (and, in some cases, all over the world). There will be some fees involved.

Craigslist and Facebook: You can use community pages to sell your stuff locally.

There are no fees involved, which is nice.
