Nice book which gives a high level view of the project management as a profession for a person experienced in general management. The best part of the book is questions and case studies given at the end. Can be used as a study book for project management courses and also by students who are interested to know more about project management.

Project Management for Non-Project  
Managers eBook por Jack ...

Why focusing on ebooks for project managers? In the last couple of days alone I've stumbled upon 8 or 10 pieces on "best startup resources" or "sure-fire tactics for growth" but for some reason project management doesn't seem to be cool/sexy/worthy enough for the authors. Yet, in order to grow, all projects have to be built,
