that focuses on improving fiscal, economic and social conditions in developing countries.

## **Development Economics Definition**

Economic planning has some

# Get Free Economics Of Development And Planning

essential features: (a)

There must be a centralised planning authority for preparing the plans and suggesting the means for their implementation. (b)

Before framing the plan, the planning authority should

# Get Free Economics Of Development And Planning

M L Jhingran  
undertake an accurate survey of the available resources (both existing and potential) and the essential needs of the country.
