As Singer writes, 'To the family Carnovsky, America was like a new pair of shoes--a pleasure to put on, a pain to wear.'" The novel's three books track three generations of Carnovskys, each of which strays farther from the family's roots in Eastern Europe. David, the patriarch, rejects the small-mindedness he sees in his Polish

The Family Carnovsky | My Jewish Learning

The dread shadow of Nazism falls upon the Carnovsky family, three generations of Jews who believe themselves totally assimilated into German society. David, who has prospered in "enlightened, civilized" Berlin and considers himself "more German than the Germans", cannot rationalize the momentous events engulfing him.

The Polish-Jewish family Carnovsky in three generations is nearly destroyed by the genetic impulse to filial rebellion. Cold, fiercely intellectual, David Carnovsky shocked a Polish congregation with his radical leanings and defiantly travelled to Germany -- the land of "'light'" -- with his young bride. David's son Georg, taught to be "'a Jew in the home, a German in the street,'" not only ...

THE FAMILY CARNOVSKY - Kirkus Reviews

The Family Carnovsky is the story of three generations of Jews, each more surely rooted in its German culture than the last. But culture is not blood, and it is not character, and Singer never fails to remind us of the ineradicable ancestry of the Carnovskys.

The dread shadow of Nazism falls upon the Carnovsky family, three generations of Jews who believe themselves totally assimilated into German society. David, who has prospered in "enlightened, civilized" Berlin and considers himself "more German than the Germans", cannot rationalize the momentous events engulfing him. His son Georg, a famous doctor, taught by his father to be "Jewish at home, a German in the street", is stripped of his practice, his possessions, and ultimately his illusions. And his young son Jegor is pulled between his love for the fatherland and the Jewishness he scorns. A tragedy of torn loyalties, this powerful and panoramic novel has become one of the classics of our time.

A collection of essays dealing with stereotypes in language and in literary texts, especially those associating race with sexuality and pathology (organic disease or madness). The introduction (pp. 15-38) gives a psychological explanation of the need to create stereotypes of the Other and give them mythic negative characteristics in order to categorize and control the world. Negative stereotypes of Jews are discussed in ch. 6 (pp. 150-162), "The Madness of the Jews"; ch. 7 (pp. 162-174), "Race and Madness in I.J. Singer's 'The Family Carnovsky'"; ch. 8 (pp. 175-190), "Sigmund Freud and the Jewish Joke."

Depicts the struggles which engulf three generations of a Jewish family living in Germany during Hitler's rise to power

George Jean Nathan (1882-1958) was formative influence on American letters in the first half of this century, and is generally considered the leading drama critic of his era. With H. L. Mencken, Nathan edited *The Smart Set* and founded and edited *The American Mercury*, journals that shaped opinion in the 1920s and 1930s. This series of reprints, individually introduced by the distinguished critic and novelist Charles Angoff, collects Nathan's penetrating, witty, and sometimes cynical drama criticism.

"Berlin emerged from the First World War as a multicultural European capital of immigration from the former Russian Empire, and while many Russian emigres moved to France and other countries in the 1920s, a thriving east European Jewish community remained. Yiddish-speaking intellectuals and activists participated vigorously in German cultural and political debate. Multilingual Jewish journalists, writers, actors and artists, invigorated by the creative atmosphere of the city, formed an environment which facilitated exchange between the main centres of Yiddish culture: eastern Europe, North America and Soviet Russia. All this came to an end with the Nazi rise to power in 1933, but Berlin remained a vital presence in Jewish cultural memory, as is testified by the works of Sholem Asch, Israel Joshua Singer, Zalman Shneour, Moyshe

Kulbak, Uri Zvi Grinberg and Meir Wiener. This volume includes contributions by an international team of leading scholars dealing with various aspects of history, arts and literature, which tell the dramatic story of Yiddish cultural life in Weimar Berlin as a case study in the modern European culture."

In the Polish city of Lodz, the brothers Ashkenazi grew up very differently in talent and in temperament. Max, the firstborn, is fiercely intelligent and conniving, determined to succeed financially by any means necessary. Slower-witted Jacob is strong, handsome, and charming but without great purpose in life. While Max is driven by ambition and greed to be more successful than his brother, Jacob is drawn to easy living and decadence. As waves of industrialism and capitalism flood the city, the brothers and their families are torn apart by the clashing impulses of old piety and new skepticism, traditional ways and burgeoning appetites, and the hatred that grows between faiths, citizens, and classes. Despite all attempts to control their destinies, the brothers are caught up by forces of history, love, and fate, which shape and, ultimately, break them. First published in 1936, *The Brothers Ashkenazi* quickly became a best seller as a sprawling family saga. Breaking away from the introspective shtetl tales of classic nineteenth-century writers, I. J. Singer brought to Yiddish literature the multilayered plots, large casts of characters, and narrative sweep of the traditional European novel. Walking alongside such masters as Zola, Flaubert, and Tolstoy, I. J. Singer's premodernist social novel stands as a masterpiece of storytelling.
