SAN DIEGO (Border Report) - The state of California currently uses a cash-bail system to release defendants awaiting criminal trials, and it's being challenged in the Nov. 3 election. Those who are granted bond can pay and be set free, and those who can't afford it seek the services of a bail bond company, which charges a small fee, usually 10 percent, to provide bail to the court on ...

The Fate of the Furious premiered in Berlin on April 4, 2017 and was theatrically released in conventional and IMAX theaters in the United States on April 14, 2017 while also playing in 3D, IMAX 3D, and 4DX internationally. The film received mixed reviews from critics, many of whom praised the performances and action sequences, but criticized the storyline and the long running time.

---

The Fate of the Furious - Wikipedia  
Fate of the States reads as a long argument for gutting worker protections and state budgets as a way to attract business. Like everyone with this agenda, Whitney cites business leaders who say that regions with lower tax burdens and lax regulatory environments are more attractive. Business leaders should never be quoted on this question.
