Beginners Guide for Becoming a Fatale FemDom Part 2 of 3: Having The BDSM Fatale FemDom personality . Be Mysterious. Less is more, people do not need to know everything you are feeling or what is going on. The very mystery proves to be the allure of the femme fatale.

An essential beginners guide for ladies who want an introduction to the FemDom scene or, indeed, for the curious male who is considering asking his partner to indulge his fantasy and wants to know what he may be letting himself in for. BDSM is becoming far more mainstream in these enlightened days and many women regularly come across references to it, finding that they want to know more about it, perhaps give it a try. FemDom is one aspect of the BDSM scene and this book tries to explain the concepts behind making a FemDom/malesub relationship work, providing some practical advice for the novice Domme about what to do and how to do it. Many of the activities described are put to use by Jenny in the "Jenny and John Series" of books described below. Remember: keep it safe, sane and consensual.

"My submissive won't do what I want!" This is a common complaint, especially for new femdoms. This guide will help. Whether your submissive forgets to do things you've asked of them, or doesn't complete tasks you set, or thinks it's fun to disobey, or outright says 'no' when you ask something of them, this guide is for you. As a new Domme, disobedience can shake your confidence and leave you struggling because you just aren't sure what to do. Maybe you've tried a bunch of things to get your dynamic back on track, but it hasn't worked out as you'd hoped. This short, sharp, practical 'How To' femdom guide is for you. Discover why your submissive disobeys, what makes them obey, and how you can build a dynamic that makes them want to fall over themselves to obey you. Far past the basics of building a relationship where obedience is a given, this guide presents an actionable strategy for handling your submissive's disobedience: SLAPS*. SLAPS is an acronym that describes 5 practical steps that will not only help you handle your submissive's disobedience, but that will also strengthen your dynamic while you're at it. S - Seek Clarity L - Listen A - Agree P - Punish (optional) S - Start fresh SLAPS is not just going to help you to deal with an instance of disobedience, but will help you use the experience to better understand your submissive, to improve communication, to increase intimacy, and to make your dynamic and your relationship better. The toolset and strategies in this guide reach wider than simple disobedience and you can apply them more broadly, but if you just want to deal with your submissive not doing what you want, it will absolutely help you. *This guide contains no actual slaps!

Then this is your book. You should not read this book, if you're interested in any 'hot' FemDom sex stories - you won't find them there. You will find a complete manual for a FemDom relationship, however. Simply put FLR is when women lead men - men who want to be led by them. Of course this happens every day in all types of situations such as business, education, healthcare and home. The phenomenon is when men want/ask women to lead in their personal lives. The man in the relationship is submissive to the Woman. He may be dominant towards others, but comes home as the strong knight that submits to his QUEEN. Of course, there are also men that will be a slave to love in everyday life as well. FLR or Femdom (Female Dominance) is the safest relationship a Woman can have. She makes the rules, sets the boundaries and she has the final saying; while the man loves and supports her in her role. In any other relationship, Women do not enjoy that kind of freedom or safety. This is a functional model for any Woman who wants more control and less strife. Many men want the woman to rule over them so FLR to men is deeper and richer than simply being led by a woman or following her in a supportive role. It is very erotic!

The #1 thing men secretly desire of women, yet typically won't admit it. Do your relationship a favor and join the modern version of relationships where women are the ones who take charge. Keep up -- the times are changing!

This book is a rich resource of ideas for the woman who has embarked upon a femdom journey with her man and is hungry for new kinky territory to conquer. The material is arranged across twelve monthly sections, with 52 varied entries offering a different idea or scenario for each week of the year.

Simple, practical steps to help submissive men find the dominant woman of their dreams This 'How To' Femdom guide is for submissive men who are looking for an ongoing relationship with a dominant woman and who have tried any number of things without success. Things to do before you start (i.e. 'figuring some shit out on your own') Places to meet dominant women (online & in RL, BDSM & vanilla spaces) How to figure out if you're compatible (busting the myth of 'me sub, you domme = yay!') How to approach dominant women (online & in RL, dos and don'ts) How not to get in your own way (avoiding common mistakes) Five steps for writing a great introductory note (not formulaic or a template: genuine thoughtful help. This is a major hurdle for many promising newbies) Examples of introductory emails that actually worked Warning: How to spot online scammers As an experienced dominant woman, I've been on the other side of many interactions with submissive men, and I've talked to thousands of F/m folks over the years about their experiences: I know that well meaning fabulous submissive men can get in their own way without even realising it. So let me help you get on the right path.

A female-friendly guide to the erotic domination of the male by the female in a way that will benefit both. Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

So you want to have a FemDom relationship or want to know how that would even work? You are a man and want to convince your wife to become your future mistress? You are a woman and want to understand submissive men or train one? Then this is your book. You should not read this book, if you're interested in any 'hot' FemDom sex stories - you won't find them there. You will find a complete manual for a FemDom relationship, however. This book is a complete guide to a modern FemDom relationship. So much of the websites out there are focusing on the sexual elements of FemDom, and almost no one talks about FemDom as a relationship model. Needless to say that it seems all of the writings are from men, and they really don't understand women - especially not Dominant women. I have been in a FemDom relationship for almost 10 years now, and yes, it works - it's the best lifestyle ever, I love it! But getting there wasn't easy. The stuff on the internet, for instance, was worthless. I received lots of help, but I have to admit that much of this was sheer luck. The first step was understanding my submissive husband and his desire to be dominated. It was by accident that I discovered my husband's visits to a Dominatrix. How was I supposed to understand that? If I would have had access to a book like this one, I would've understood him much better. But back then this book didn't exist.... Instead, I invested lots of time to understand submissive men and went on a journey. After some time, we introduced FemDom. I learned to Dominate. I learned to command. I learned to own him. He's mine now. And both of us love it. But even today, 10 years later, there still is no adequate book or guide out there which teaches the two most basic things: Accepting and understanding

submissive men as a woman Dominanten a man and living a FemDom relationship in the long run. That's why I decided to write this book. It's not only a collection of thoughts - it's a through handbook guiding you on your journey towards total FemDom. Here is an overview of what you will find inside: Chapter 1: Why I Became A Mistress - Understanding Submissive Men Chapter 2: The Benefits Of Female Domination Chapter 3: The Mistress - And How To Become One Chapter 4: Finding A Submissive Male Or Creating One Chapter 5: Train A Submissive Male To Be A Slave Chapter 6: Establishing Your Authority: Ways To Make Him Obey Chapter 7: Managing A Femdom Relationship Chapter 8: How To Make Him Obey With Rituals And Things Chapter 9: The Art Of Discipline: Advice, Technique And Implements Chapter 10: Femdom Examples Chapter 11: Frequently Asked Questions Chapter 12: Last Steps It's a 170 page book and contains years of experience. What do you need more? Here are the two FemDom rules: 1. Mistress is always right. 2. When Mistress is wrong, Rule #1 applies.
