Women's rights movement, also
called women's liberation
movement, diverse social
movement, largely based in the
United States, that in the 1960s
and '70s sought equal rights and
opportunities and greater
personal freedom for women. It
coincided with and is recognized
as part of the "second wave" of
feminism.

Feminism gave voice to the broader demand that those rights be equally recognized and to its call that women be educated to think independently. As an organized movement, American feminism arose from a different set of historical circumstances. In particular, it sprang from the abolitionist movement of the 1830s.
