Das Buch hat eine gute Qualität und einen hochwertigen Druck. Der Soundtrack von FF IX ist einer meiner liebsten - und diese Piano Collection enttäuscht nicht. Einziger Nachteil ist der ausschließliche Gebrauch der japanischen Schrift. Allerdings sollte dies klar sein, da es aus Japan importiert wird.

### FINAL FANTASY IX - PIANO COLLECTION

Final Fantasy IX Piano Collections is almost as much of a pleasant surprise for me as the OST was. It doesn't manage to tug at my heartstrings the way some previous series piano arrangements like the Final Fantasy 1987-1994 version of "Dear Friends" and several tracks from FFVI Piano Collections did, but it makes for a faithful and in some way equally enjoyable piano version of a favorite Final Fantasy OST.
