This course is ideal for supervisors, managers, and directors in sales, marketing, production, engineering, R & D, human resources and other departments who wish to understand more about accounting and finance. No prior classroom experience in accounting or finance is expected, but familiarity with the general language of business will be assumed.

Understanding Finance and Accounting for Non-Financial ...

In today's corporate environment, nonfinancial managers are expected to make financial decisions fast. In fact, your decision often was due "yesterday." If that's not enough pressure, the arrival of computers and cyberspace has given your competition access to more financial facts, in greater detail and more promptly, than ever before. The need to make financial decisions quickly is ...
