This pack consists of the Focus on Grammar 4 Student Book with a MyEnglishLab access code and Workbook 4. Focus on Grammar maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide greater clarity. Explicit pronunciation activities to improve fluency and accuracy. Expanded listening tasks allow students to develop a range of listening skills. Flexible, ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack, available separately.) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well.

"A unique four-step approach, moving students from context into communication [with] the full integration of language skills providing a complete program for language learners [and] a variety of ongoing assessment tools [to] ensure that progress is measurable."--Page 4 of cover.

Let Them Write: Plot Building focuses on conflict, suspense and narrative structure. Students practice first-drafting, editing, polishing and sharing original scenes and stories built around these three important elements of storytelling.

Character Development focuses on the creation of fully-realized, multidimensional protagonists and antagonists. Students practice first-drafting, editing, polishing, and sharing original paragraphs, scenes, and stories featuring the characters they have brought to life.

Setting and Description focuses on the effective use of descriptive writing techniques to depict a story setting. Students practice first-drafting, editing, polishing and sharing original scenes and stories set in realistically described times and places.
