DIV2013 marks the 100th anniversary of the crossword puzzle. Journalist Arthur Wynne had wanted to devise a new game for the back of the newspaper back in 1913, so he created a diamond grid and called it a "Word-Cross," and thus the first crossword puzzle was born./divDIV Editor and crossword constructor Ben Tausig examines the curious history of the world's most addictive game and its unusual upbringing. Accompanied by 100 unique and challenging puzzles from the past 100 years, he examines the evolution of grid shape, how basic expected knowledge of the reader has changed, the puzzles that break the "breakfast table rule" and more. Featuring puzzles from top constructors like Will Shortz, Brendan Emmett Quigley, Matt Jones, Cathy Millhauser, Maura Jacobson, and more. Try your pen or pencil on the crosswords your parents, grandparents, or great grandparents did decades ago!/div

This book describes the Interactive Method (IM) for teaching different abilities, special needs, and all learners.

300 Crossword Puzzles puts your trivia knowledge to the text with 300 fun-filled crossword puzzles that will keep you on your toes for hours at a time.

Designed specifically for easy use, Exploring Ecology combines content with activities, all in one place, and organized into four clear sections. Although the book is targeted to teachers of science in grades 4-8, many activities have been adapted for students ranging from first grade to high school.

This book contains six reproducible jigsaw units. Based on the principles of cooperative learning, jigsaw refers to a method of instruction in which students, working in groups, are dependent on the others in the group to gather information on a topic and to complete a task. Using jigsaw ensures that every student is an active participant in the learning process. The units are designed for high school and adult students who need to improve their reading and discussion skills. These materials are designed for multi-level classes where the reading level ranges from intermediate to advanced level. The six topics in this book are: Illegal Gill Nets, Smoking Marijuana, Using Steroids, Immigration and Employment, Smoking Cigarettes in Public, and Seeing a UFO.
