Jamie McFarlane 's Fool Me Once (Privateer Tales, Book 2) is a very fast paced sci-fi adventure. While the story and characters are exciting, the relationship to the previous book protagonists was very superficial, which I personally found disappointing. However, that said, I did enjoy the protagonists in this book.

When you are old enough to finally become an Earth Mars citizen, everything should be perfect. Right? Not for Liam Hoffen. He's stuck on a mining asteroid called Colony 40, helping his father work a claim that is never going to pay out. His best friend, Nick James is set for life in James' Rental business and Liam just discovered that the girl he's known forever thinks he's pretty great and now she's leaving for the Mars Naval Academy.Liam dreams of sailing the stars. Whenever he gets the chance, he jets into space and floats, wishing to be free of the asteroid that has claimed him. What he doesn't realize is that fate is about to change everything. Sometimes you have to lose parts of yourself to gain the stars, and Liam discovers that while it isn't easy to literally lose parts of yourself to the pirates who attacked your home, gaining the stars is worth everything.He and Nick are about to find out what the real world has to offer and they end up meeting exciting people along the way.

Celina Dontal just escaped eighteen months of captivity at the hands of Alexander Boyarov and his crew, members of the brutal Red Houzi Clan. That should have been the hard part. It was only the beginning. When she tried to contact her younger sister, Jenny, Celina received shocking news. The one person in the universe that Celina loved and lived for, was missing, and no one could tell her what happened. A vague mention of passage booked to the metropolis of Puskar Stellar on Mars was the only clue Celina unearthed, but Jenny hasn't responded to any of Celina's messages. Celina has no friends on Mars and to make things worse, Boyarov is skating on thin ice with the Red Houzi. He lost their ship and prisoner. Retrieving both as quickly as possible is the only hope he has of preserving his own life. He's on the hunt. If there is to be any help for Celina and Jenny, it will have to come from strangers. Puskar Stellar is a big city and finding someone who is trustworthy can be a slippery quest. Fool Me Once, a standalone novella, is the second story in Jamie McFarlane's Privateer Tales.

When aliens threaten his country, one grumpy old vet will take the fight to the stars. Albert Jenkins would like nothing more than to putter around his junkyard, selling parts and working on old cars. When an alien spacecraft is shot down by US Air Defense and crash lands on his newly rebuilt home, he's dragged back into the fight of his life. Lightyears away, a war for the control of Earth looms and humanity's freedom hangs in the balance. Previously kicked off Earth, the Korgul are back and they are willing to destroy any who stand in their way. To join the action, AJ lacks just one thing, a spaceship. With only a junkyard full of old parts, he'll need help to get his plan off the ground. Fortunately, he's got a plucky, pop culture loving, nano-sized symbiote who's managed to roll back the damages of eighty years of hard living. With dogged determination he'll repurpose an old, reclaimed shuttle and build a spaceship so he can join the fight one more time. Buy Junkyard Spaceship today and send AJ to the stars to kick some alien butt!

How do you defend your city from itself? How do you fight an enemy that knows your secrets and can predict your moves? In the wake of their mother's death, Jason and Amy Night tried to get on with their lives. While Amy buried herself in her work and taking care of their ailing father, Jason took another path. He donned a mask and became the protector of Darden Valley. He became The Guardian. When Darden Valley comes under attack from more than just crooks and thugs, the siblings will have to lean on each other to protect their family and defend their city. Does the Darden Valley Guardian have what it takes to protect his city while his family is under attack?

When it comes to women, the Duke of Danby is an audacious rake... but when it comes to ridding the kingdom of smugglers, he's leading the charge. The Prince Regent has bankrupted the country more than once, and Danby isn't about to go down with a sinking ship. The Honorable Eleanor Kent hides behind the image of a self-proclaimed spinster... though in truth she's one of England's most sought-after privateers. When their paths cross at a royal dinner... Danby suspects the stunning redheaded woman is more than she seems. He engages her to consult on a chinoiserie remodel and Eleanor gladly accepts. Indeed, she'd rather keep her enemy close where she can watch his every move. Though neither duke nor lady has a clue of how tangled the web they're spinning will become. As the heat ratchets up, so does their unbidden attraction. Will they get burned before it's too late to run?

He thought the bloodshed was over. The true terror is just beginning... Captain Liam Hoffen has no time to relax after defeating the Mendari. Hastily organizing an expedition to their home world, he brings his beleaguered crew across the stars to install the new leadership. But as soon as he arrives, a massive prototype warship slices into their path and threatens the entire mission. After a daring confrontation, Hoffen pushes through to the planet. But once there, he discovers a terrifying weapon of mass destruction was launched at the end of the war. And the Mendari people are mind-controlled from revealing any secrets... including its deadly course. Can Hoffen break through the horrific mental manipulation and stop an apocalyptic attack? Black Outlass is the nineteenth standalone novel in the galaxy-spanning Privateer Tales military science fiction series. If you like desperate heroes, fast-paced action, and explosive battles, then you'll love Jamie McFarlane's thrilling space opera. Buy Black Outlass to voyage into danger today!

Alien slavers attack Arcadia, and identical twins Rika and Nika Ingersoll must find a way to save their family and friends before they're taken off planet and lost forever.

A scouting mission gone bad. A life-changing loss of time. Can a privateer team navigate a bloody revolution to find their way home? Liam Hoffen is used to straightforward missions going off the rails. But when he emerges from a crash-landing, one look tells him he

When Jameson's expectations, he is suddenly knocked out and kidnapped, and awakes on board the Destiny, captained by the fearsome Attack Jack, a privateer in the service of Queen Anne. Now Jameson must learn to be a sailor, using skills he learned from his father to aid Attack Jack in mapping the New World so that they can claim new territories for England. But Jameson finds out that the captain and his first mate, Solitaire Peep, have a secret hidden deep in a cave on a mysterious island. England's future might hang in the balance...and so might Jameson's. With a sympathetic hero and a climactic resolution, this exciting historical fiction adventure from Susan Verrico will captivate readers and keep them on the edge of their seats.

With a price on their heads, grumpy old vets will risk everything to bring alien assassins to justice. Someone is killing off the old team of vets who repelled Earth's first Korgul invasion. With the end of a war precious few even knew was happening, life's been peaceful. Of course, Albert Jenkins isn't a bit surprised when that peace is shattered by the sounds of rocket propelled grenades fired over the Georgia swamps. To make matters worse, when he reports the alien's foiled attack to the Army, he's ordered to keep things quiet and stop causing trouble. The problem is AJ has only one gear and avoiding trouble isn't in his makeup. So instead of sitting around and waiting for the next RPG to be tossed his way, he takes to the stars and starts tracking bounty hunters the only way he knows how - up close and personal. Junkyard Veterans is the fourth installment of the popular Junkyard Pirate series. Buy Junkyard Veterans and help AJ put alien bounty hunters in their place.
