It is an online tutorial and assessment system that has been gaining popularity with students and instructors across the globe for over ten years.

The world's best-selling textbook on book-keeping and accounting, Business Accounting Volume 1 continues to provide an indispensable introduction for students and professionals across the globe. It is renowned for clarity, with easy-to-understand language and a plethora of examples to aid your understanding. The 12th edition is updated to be fully compliant with International Financial Reporting Standards (IFRS). Other updates include new coverage of professional ethics, disaster recovery, and over 70 new examples to test your understanding. 'A benchmark for all accounting books.'

Sarah Knight, former Finance Courses Coordinator, Huntingdonshire Regional College 'The writing style of the book is "spot-on" and just the right tone – well done! I consider all chapters to be at the appropriate level, very practical and structured in manageable "bite-sized" chunks.' Alison Fox, Lecturer, University of Dundee This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your students understanding. MyAccountingLab provides a personalised approach, with instant feedback and numerous additional resources to support their learning. For students - A personalised study plan - Worked solutions showing them how to solve difficult problems - An eText for quick reference - Case studies to help them apply what they've learned - Audio animations and videos Use the power of MyAccountingLab to accelerate your students learning.

This volume completes the financial accounting coverage of syllabuses of the various examining bodies. It has been brought up to date with all the current accounting standards in as much detail as is required at this level.

Business Accounting is the world's best-selling textbook on bookkeeping and accounting. Its clear explanations, in simple language, a wealth of worked examples and large number of questions and answers, have made it a popular choice with both students and lecturers for over thirty years. Other popular features are its comprehensiveness, the clarity of presentation and layout and the structured manner in which it builds knowledge in logically progressing short chapters. In this edition the distribution of chapters between the two volumes has been rationalised. Volume 1 now includes more-complete coverage of special accounting procedures and partnerships. Chapters on partnership dissolution, joint venture accounts, bills of exchange, and consignment accounts, have been incorporated from Volume 2. A selection of recent questions from examining boards and professional bodies has been included.

This edition of Frank Wood's accounting text has been restructured to follow the AQA A-level A2 syllabus. The entire AQA A2 syllabus is covered in parts 1-3. Coverage of the equivalent OCR syllabus is completed in part 4 of the book. Changes to the text include the coverage of partnership accounts, now in one chapter; all company accounting in one chapter; and standard costing and variance analysis covered in a single chapter. The book builds on a first course in accounting and includes coverage of the more advanced aspects of financial and management accounting. As well as providing instruction.

Now going into its 9th edition, the successful textbook Book-keeping and Accounts is a vital guide for students undertaking studies of book-keeping and accounting for the first time. Through its gradual introduction of topics, explanation of technical terminology in a clear, easy to understand way, this text provides an accessible and reliable guide for any student in their undergraduate career. New to this edition: · Fully compliant with International Financial Reporting Standards (IFRS), with current IFRS terminology. · Questions and exercises to test your understanding and help with revision. · Selected chapters amended and re-structured. · Full explanation of HMRC changes in VAT relating to cash discounts. · Illustrations and diagrams to help explain key concepts. · Updated 'learning objectives' and 'chapter summaries', to reflect developments in the financial environment · Easy to understand to double entry book-keeping using the 'IN' and 'OUT' approach. With its highly regarded authorship this text is used by lecturers for teaching students undertaking the following qualifications and examinations: Association of Accounting Technicians (AAT), International Association of Book-keepers (IAB), A Level Accounting, Oxford Cambridge and Royal Society of Arts (OCR), and as a general foundation text for personnel employed in the accountancy profession. Accompanying the text is a collection of resources to support both lecturers and students which can be found at [www.pearsoned.co.uk/wood](http://www.pearsoned.co.uk/wood) - For instructors : Solution's manual, and Powerpoint slides - For students : Opportunities to practise and additional support with our companion website

Covering all the accounting issues and reporting standards (IAS, IFRS) that an accounting student needs to know, this text provides a fresh, decision-usefulness approach that will enhance students' interpretative skills and take their understanding to the next level.
