These operations involve activities such as ? Determining the type of guest (fresh/repeat) by checking the database. Ensuring preferences of the guest to give a personal touch to the service.

### Front Office Management - Introduction - Tutorialspoint

By following these four front office management tips, you'll be an operations whiz in no time. 1. Train front office employees for success. While you may think that some front office operations are a no-brainer, it's worth the effort to provide training for your employees on every aspect of the job, especially the parts that are unique to your company or industry-specific. Each member of the front office team should be cross-trained to an extent, but your goal should be to employ a staff ...
