with a small group of students who demonstrate similar reading behaviors and can read similar levels of texts. The text is easy enough for students to read with your skillful support; it offers challenges and opportunities for problem solving, but is easy enough for students to read with some fluency.

As most teachers know, Guided Reading is meant to be conducted on student's instructional level. I really like the articles in this book, but with a range of 3rd-6th grade, it's really hard to target specific readers and their specific levels to give them the guided instruction they need at the appropriate level for them.
