*How to Stay Happy Around Negative People | Psychology Today*

Happy people understand that those they are in relationship with are an "addition to," not a completion of them. They live full lives so that at the end of the day they have so much more to share. A loving reminder: Don't rely on your partners to shift your moods, heal you, or fill your empty spaces. And remember it's not your responsibility to do that for your partner either.

*10 Things Happy People Do to Stay Happy - Tiny Buddha*

Generally open and friendly towards people they meet, happy people foster a sense of community around themselves and meet new people with an open heart. Unhappy people are distrustful of most people they meet and assume that strangers can't be trusted.

*7 Habits of Chronically Unhappy People | HuffPost*

People who regularly spend about a quarter of their hours each day with family and friends are 12 times as likely to report feeling joyful rather than feeling stressed or anxious. The same Gallup poll found that people are happiest on weekends (no surprise there!), likely due in part to the amount of time spent with loved ones on these days.
