Nighthawks is a 1942 oil on canvas painting by Edward Hopper that portrays people in a downtown diner late at night as viewed through the diner's large glass window. The light coming from the diner illuminates a darkened and deserted urban streetscape. It has been described as Hopper's best-known work and is one of the most recognizable paintings in American art.

In plaats van naar de opera te gaan heb ik gisterenavond Het Diner één ruk uitgelezen. De manier waarop Herman Koch de verhouding tussen de twee broers beschrijft - zo verschillend, maar beiden verknipt - vond ik verrassend en fascinerend.

Two couples meet over dinner to discuss their children who misbehaved, but avoid doing so.

NEW YORK TIMES BESTSELLER ⓘ The darkly suspenseful tale of two families struggling to make the hardest decision of their lives!all over the course of one meal. Now a major motion picture. ⓘChilling, nasty, smart, shocking, and unputdownable.ⓘGillian Flynn, author of Gone Girl Itis a summeris evening in Amsterdam, and two couples meet at a fashionable restaurant for dinner. Between mouthfuls of food and over the scrapings of cutlery, the conversation remains a gentle hum of polite discourse. But behind the empty words, terrible things need to be said, and with every forced smile and every new course, the knives are being sharpened. Each couple has a fifteen-year-old son. The two boys are united by their accountability for a single horrific act:an act that has triggered a police investigation and shattered the comfortable, insulated worlds of their families. As the dinner reaches its culinary climax, the conversation finally touches on their children, and as civility and friendship disintegrate, each couple shows just how far they are prepared to go to protect those they love. A NEW YORK TIMES NOTABLE BOOK ⓘA European Gone Girl . . . A sly psychological thriller.ⓘThe Wall Street Journal ⓘBrilliantly engineered . . . The novel is designed to make you think twice, then thrice, not only about what goes on within its pages, but also the next time indignation rises up, pure and fiery, in your own heart.ⓘSalon ⓘYou'll eat it up, with some fava beans and a nice Chianti.ⓘEntertainment Weekly ⓘ[Koch] has created a clever, dark confection . . . absorbing and highly readable.ⓘNew York Times Book Review ⓘTongue-in-cheek page-turner.ⓘThe Washington Post ⓘ[A] deliciously Mr. Ripley-esque drama.ⓘO: The Oprah Magazine

This is the second and final volume of Dutch physicist Hendrik Antoon Lorentz's scientific correspondence with Dutch colleagues, including Pieter Zeeman and Paul Ehrenfest. These 294 letters cover multiple subjects, ranging from pure mathematics to magneto-optics and wave mechanics. They reveal much about their author, including Lorentz's surprisingly active involvement in experimental matters in the first decades of his career. Letters are also devoted to general relativity, Lorentz's 1908 lecture on radiation theory, and his receipt of the Nobel Prize along with Zeeman in 1902. The letters are presented in their original language; Dutch originals are accompanied by English translations. A concise biography of Lorentz is also included.

With 1855-1927 are issued and bound: Handelingen van de algemeene vergadering.
