While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

As Dr. Norbeck points out, internal contrasts within Japanese society have always been sharp, & they have grown rather than diminished as time has passed. There are many ways of life in Japan, & in their variety they reflect the unevenness of change in a dynamic society that has moved from feudalism since 1868 to industrial urbanization, & that has recovered since 1945 from a crushing military defeat to attain now its greatest period of prosperity.
