The way we respond to food, exercise and stress varies person-to-person just as much as our fingerprints. This book will identify YOUR individual needs and teach you how to address issues that may be preventing you from looking and feeling your best. Follow this proven four-step program that has helped thousands of people look and feel their best. Step 1. Fill in the Questionnaires. Step 2. Develop a Unique Eating Plan for YOU. Step 3. Build a Personalized Exercise Program that Fits YOUR Needs. Step 4. Fine-tune a Healthier Lifestyle that Fits YOUR Routine. Whether you want to lose weight, change your body shape, overcome a health challenge, or optimize an already healthy lifestyle, this book will teach you how to achieve all your goals!

Once in a while, a book comes along that changes how you think, feel, and act every day. In *Eat Move Sleep*, #1 New York Times bestselling author Tom Rath delivers a book that will improve your health for years to come. While Tom's bestsellers on strengths and well-being have already inspired more than 5 million people in the last decade, *Eat Move Sleep* reveals his greatest passion and expertise. Quietly managing a serious illness for more than 20 years, Tom has assembled a wide range of information on the impact of eating, moving, and sleeping. Written in his classic conversational style, *Eat Move Sleep* features the most proven and practical ideas from his research. This remarkably quick read offers advice that is comprehensive yet simple and often counterintuitive but always credible. *Eat Move Sleep* will help you make good decisions automatic — in all three of these interconnected areas. With every bite you take, you will make better choices. You will move a lot more than you do today. And you will sleep better than you have in years. More than a book, *Eat Move Sleep* is a new way to live.

Actress and top model Elsa Pataky is well known for her passion for exercise and wellbeing. A superstar in her native Spain and in the US, and now embraced wholeheartedly in her new home of Australia, Elsa frequently graces the covers of magazines around the world - for both fitness and fashion - and what journalists (and readers) most often want to know are her secrets to good health, energy and an incredibly toned and strong physique. Now for the first time, Elsa reveals her approach to building strength - of body and mind - as a strong mind, body and diet form Elsa's key building blocks to achieving ultimate health and vitality. In *STRONG* Elsa shares simple ways to overcome mind-traps and other challenges; tips on managing cravings and sore muscles; her favourite high-intensity exercise circuits that can be done in the comfort of your own home with minimal equipment; straightforward and sensible nutrition advice to support your fitness program and fuel your body; and delicious, healthy recipes the whole family will love. This is your guidebook on how to live a balanced and healthy life. So be inspired to make change today, and get strong! This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

The star of HGTV's Flip or Flop Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's Flip or Flop and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn't until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, *The Wellness Remodel* will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

Forget the fad diets—this program integrates mindfulness, eating with intention, and interval-based movement to help you live an inspired, healthier, and longer life. In *Think Eat Move Thrive*, Dr. James Rouse and Dr. Debra Rouse offer a simple piece of advice that goes a long way: stop looking at your habits and body as obstacles and start looking within. By replacing quick fixes with mindfulness techniques and simple practices, you'll feel better immediately and find lifelong wellness. Based on science-supported medicine and healthy living research, *Think Eat Move Thrive* provides an easy formula integrating three key components: mindfulness, eating with intention, and interval-based movement. Flexible enough to be personalized for any lifestyle, this program will become as easy and natural as breathing. When we identify the source of our attitudes and redefine our intentions, we can actively move toward realizing our goals. Complete with practices, recipes, and exercises, *Think Eat Move Thrive* is a proven, life-changing program for optimum wellness and longevity. The time for lasting change is now, and *Think Eat Move Thrive* is your prescription to reclaim the life you've always wanted.

Every day we are bombarded with new exercise and nutrition programs we are told guarantee weight loss and improved health and fitness. Rarely do these gimmicks work because often the latest fad diet, usually in combination with the latest fad exercise regimen, is rarely based on scientific evidence. As a result, you either don't see results, or you cannot sustain what is likely an unhealthy, boring diet and unsuitable fitness program. *Eat, Move, Sleep, Repeat* is very different. As a *Healthy Lifestyle Guidebook*, it provides a scientific, evidence-based rationale for selecting certain diets and forms of physical activity that will help you • achieve effective body fat and body weight loss; • develop a personalized weight loss plan; • follow a healthy balanced diet; • improve sleep quality; • avoid common illnesses; • keep senses and organs healthy; and • determine what exercise suits your lifestyle best. Meant for every fitness goal, fitness level, and occupation, *Eat, Move, Sleep, Repeat* provides a program using evidence-based guidelines on how to establish a healthy lifestyle that will promote better quality of life with reduced risk of chronic disease and extended longevity. Live long and healthy with *Eat, Move, Sleep, Repeat!*

Confused by conflicting exercise and nutrition "information"? Frustrated by too many sizes in your closet? Determined to "not quit this time" - but not sure how? Go Forward: 28 Days to Eat, Move, and Enjoy Life God's Way will help you understand what God's Word teaches about exercise, nutrition, stress management, sleep, and other health topics. But understanding what to do is only the first step. Through this book you will also begin the second step: practicing how to make a habit for a lifetime. Broken into topical sections, you are encouraged to learn at your own pace and areas of interest. Scripture study is central to growing in your health, so several references and ample space is provided to write what God teaches you. Whether you are starting your health journey for the first time or the fiftieth time, you will find your footing here. If you are ready for the health and energy you need to accomplish your God-given dreams, if you want to find your unique path and fulfill your potential, then it is time to Go Forward!

International wellness coaches Galina and Roland Denzel, authors of *The Real Food Reset* and founders of *EatWellMoveWell.com* have helped many achieve healthier, happier, vibrant living through simple solutions based on small changes to diet, movement, and other physiological things like sleep. Arranged in 52 sections, start where you want and progress from there, whether it's cover to cover, theme by theme, or "choose your own adventure." Get better in a week, by following suggestions on movement, alignment, and walking; fish, fats, and ferments; sleeping, vacationing and working; and bad days, de-stressing, and building a support network.

The commonsense parent's guide to developing smart, healthy eating habits in their children Whether it's 24/7 snacking, daily fast-food runs, or nonstop video-game marathons, nowadays it's tougher than ever to get kids to eat right and move more. Yet it is possible to encourage nutritious eating habits and a healthy active lifestyle in your kids—if you have the right tools. *Weight Watchers Eat! Move! Play!* gives you trusted information on how to develop and maintain the right habits for keeping the whole family happy and healthy. Designed to help you become a healthier role model for your children, *Weight Watchers Eat! Move! Play!* demystifies the four vitally important elements for a healthy lifestyle, including developing a positive body image; a taste for wholesome, nutritious foods; smart eating habits; and a love of physical activity. In addition, *Weight Watchers Eat! Move! Play!* • Presents five simple rules that all families can live by for keeping the household fit • Supplies quizzes and self-assessments for parents to understand their parenting styles better • Explains what a healthy weight is for a child, while providing advice on how to talk to children—and their pediatricians—about healthy weight and nutrition • Delivers hundreds of doable tips, ideas, and checklists to help parents implement the best practices for eating healthier and moving more • Includes more than 75 kid-friendly recipes that encourage children—from toddlers to school-age to help out in the kitchen *Weight Watchers Eat! Move! Play!* shows that when followed consistently, just a few simple household rules and practices are all it takes to get and keep your family living a healthy, active lifestyle.

Have you been told these myths? "You need to do cardio to lose weight." "You need to stretch." "Back pain means your core is weak." "Cardio is the most important exercise." "Older people should exercise differently." "You need to focus on special core exercises." Exercise and diet fads come and go all of the time, still only 23% of Americans get enough exercise. People get discouraged because they don't know what to believe. They suffer unnecessary pain-thinking that it's their lot in life or all just part of getting older-because they don't know that their pain can be eliminated with the right exercise. Susan Finley knows what it's like to think of exercise as uncomfortable and embarrassing. Growing up, she was the "bookworm" who hated P.E. classes and never imagined she'd become an evangelist for the life-changing effects of exercise. She discovered that physical strength leads to confidence and self-sufficiency, which results in mental strength. Exercise has been called "The Fountain of Youth," with the health impact of a miracle drug-and no side effects. Most people don't realize a small dose yields tremendous benefits. Yes, you can move better, feel better, and live better without beating up your body or using gimmicky diets! Susan uses her experience from 35 years of working with hundreds of clients to encourage people to take charge of their quality of life by getting strong, eating and sleeping well, and managing stress. In short easy to read chapters, the *Smarter Way* will show you the most worthwhile approach to exercise strategies for long-term weight loss the most effective way to manage back pain how to set up a pain-free workstation the way to walk so that it's kinder to your body what you need to know about shoes the keys to cultivating a mindset that will help you live longer-and happier *The Smarter Way* is a roadmap for optimal health, less pain, and creating a life you love. ♥
