leasing your car Find an insurance policy and company you can trust Protect your automotive assets—from steering wheel locks to full-blown security systems With *Buying A Car For Dummies* as your guide, you can park you fears, frustrations, and anxieties as you discover how to decide between buying or leasing new wheels, how to negotiate with car dealers, how to foil car thieves and carjackers, how to protect yourself in a breakdown or accident, and how to protect your automotive assets with insurance, warranties, and service contracts. Plus, the book features a list of ten great automotive Web sites for pricing information, ratings, industry news, diagnostic troubleshooting, and more.

Discusses choosing the correct vehicle, setting a price, shopping for the vehicle, closing the deal, buying a used car, and making a great deal

We are entering a time when education and hard work will no longer guarantee success for huge numbers of people. Humanity faces many threats, including the potential of future digital dictatorships pushing us into irrelevance. As employers adapt artificial intelligence, blue and white-collar jobs alike will evaporate. We must learn how to take advantage of technology now instead of being enslaved by it. The Corona Virus pandemic has been a wakeup call for everyone that cannot earn an income amidst the lockdown. How will you pay your rent, feed your family and survive? This book flips the script and attempts to give the individual the advantage by understanding life and creating meaning, by feeling,

by thinking, by desiring, and by inventing. We cannot depend on the educational system to secure our future, it is our responsibility to self-educate and think critically. According to Jim Rohn, "formal education will make you a living; self-education will make you a fortune." If you find yourself among the unhappy, stuck in traffic and depressed, profoundly disillusioned with your own past choices; pay close attention. I go deep into the fallacies that surround our daily beliefs. I wrote the book I wish I had in my hands twenty years ago. It applies to college students starting out and to those stuck in a "barcode" job. You'll learn how to:--Leverage your skills and turn it into a profit--Feel excited about working on a freedom project that matters to you not others--Create plans that will allow you more time in the endeavors that matter to you--Escape the prison of working for someone else--Learn why getting paid while you sleep can turn your life around--Treat your body better so that you can live a healthier life--Help build a life that you will not regret If you find yourself in a dark place filled with chaos, "Live Free or Die Hard", will shine a light on the path to freedom and success.

One woman's poetic statement regarding ageism in America..

The 40 hours following the passion of Christ left His followers dazed. A realistic portrayal of human pain and hope.
