imc Learning Suite: Full service for your corporate ...

From the occasional use of in-service training as policy means to implement innovation (esame di stato, obbligo scolastico) it is now time to move towards a system of permanent opportunities for professional development. It is time, in other words, to give first order status to the professional development of teachers.  
5.

Internal Medicine Training (IMT) When was IMT implemented? IMT was implemented in August 2019 and there will be no further recruitment to CMT. There will be phased implementation of the full training model with new curricula for group 2 specialties starting in 2021 and group 1 specialties in 2022. How does IMT differ from CMT? IMT is a three year programme delivers the following improvements:
