"Dr. Bhardwaj's in-depth study of the various aspects of the institution of pilgrimage shows that instead of being a simple practice it has been a gigantic phenomenon affecting all aspects of Indian life. ... integrating diverse forces, various cults, and numerous traditions over the ages."--Asian Student "This is the best general survey of a major religion's total pilgrimage system and the best intensive investigation of one of its subsystems. . . . Dr. Bhardwaj's book is an important step towards the recognition of a social phenomenon which has for millennia played a crucial role in the integration of religions, nationalities, and international communities. And, not least importantly, it is highly readable."--Journal of the American Academy of Religion "Detailed, accurate, and generally informative; he has succeeded in tracing, for the first time, the relationship of the rank-order or 'level' of a sacred place ... to its degree of sanctity, type of deity, and caste and motivation of the pilgrim. . . .The implications of Mr. Bhardwaj's study are profound and necessary to the understanding of Indian religion. ... it is fascinating."--Times Literary Supplement "Here is a fine example of what the geographic study of India needs: disciplined work that shows full awareness of Indian cultural meanings. . . . it sets a worth standard."--Professional Geographer

This book, primarily a collection of statements on action agenda to be pursued in geography in India, consists of nineteen chapters exclusively authored by the young geographers. It is organised into five parts: Part I provides "The Contextual Orientation", Part II contemplates on "Reshaping Geography Education", Part III explores "Resurrecting Physical Geography", Part IV looks at "Retrieving Human Geography", and Part V: "The Summum Bonum" attempts to garland the emerging thoughts. The book seeks to provide a peek into the future Indian Geography and serve professional geographers, researchers, teachers and students alike.

When it comes to the preparation of the examinations like UPSC and State PCS students need to have solid yet precise knowledge about the subjects from the point of view of exam. ARIHANT'S MAGBOOK provides all the study material in a concise and brief manner which is easy to digest by the students Magbook series is 2 in 1 series i.e. it's a combination of magazines and books that offers unique advantages of both as it comprehensively covers syllabus of Indian and World Geography of UPSC and State PCS Preliminary Examination.
