Indigenous Crime and Settler Law: White Sovereignty after ...

In a break from the contemporary focus on the law's response to inter-racial crime, the authors examine the law's approach to the victimization of one Indigenous person by another. Drawing on a wealth of archival material relating to homicides in Australia, they conclude that settlers and Indigenous peoples still live in the shadow of empire.

Indigenous Crime and Settler Law - White Sovereignty after ...

Against the changing background of settler encounters with Australian Indigenous peoples, they show that the question of Indigenous amenability to imported British criminal law in Australia was not resolved in the nineteenth century and remains surprisingly open.
