authorship with an accessible style. Like the wind at your back, Richard Tewksbury's Introduction to Corrections motivates you through a wide range of interesting topics without impediment—because clear text needs no box. Accessible and authoritative, Richard Tewksbury's Introduction to Corrections features:

- A succinct overview of the American correctional system, by a renowned scholar in the field
- Thorough coverage of course content
- The structure and operations of correctional systems
- The history and politics of corrections
- The goals of corrections in society today
- A logical organization, from the role of corrections in controlling crime, to an in-depth look at the most troubling issues in corrections today
- A clean page design
- Consistently clear and direct narrative style

Millions in our nation are under some type of judicial sanction, with some individuals behind bars but the majority serving their sentences while living and working among us.

Introduction to Corrections examines predominant issues related to the system of administering to offenders in the United States. Written in a simple, concise style and enhanced with discussion questions and a list of key terms in each chapter, this volume begins with an overview of the system and a historical review and then focuses on select issues, including:

- Sentencing goals and rationales, and types of sentencing
- Noncustodial supervision, including probation, electronic monitoring, home confinement, halfway houses, and offender registration
- Parole and postconfinement release
- Jail, prison, and jurisdictional differences in correction systems
- Challenges faced by corrections personnel, including overcrowding, health issues, sexual assault in institutions, and prison gangs
- Constitutional challenges to inmate controls
- Issues related to victims' rights, including federal and state funds and notification programs
- Correctional counseling

perspectives and prevailing sociological theories
Controversies surrounding capital punishment in the United States
Juvenile corrections, including probation, parole, and life sentences for minors
The evolution of corrections in the United States has spanned three centuries and has moved from an origin of basic community-based confinement to an extensive system that includes federal, state, local, private, and military facilities and programs. Examining diverse topics relevant to a range of professionals in the corrections community, this book explores the functions of corrections as well as those who serve in the profession.

Hanser shows readers how the corrections system actually works, from classification to security and treatment to demonstrating how and why correctional practices are implemented.

A practical, inside look at the world of corrections Updated with state-of-the-practice information, recent data, and new research and findings, Corrections: An Introduction, 5/e, provides a practical approach to the world of corrections. Richard Seiter focuses on what people do in corrections, why they do it, and what challenges face contemporary correctional staff and administrators. Seiter gives students a first-hand look at corrections, integrating his experience in the field with correctional theory, history, and policy. Coverage of the realities and rationales of actual correctional practices at the local, state, and federal levels allows readers to see how theory is put into practice. Engaging case studies, career tips, and personal insights help students connect with the material and gain a realistic and practical understanding of corrections today. Corrections, 5/e is also available via REVEL(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn

more.

This text is for an introduction to corrections class. The premise of the book is to expose students to the importance of empirical data concerning corrections policies, program, and protocol. The text reviews the historical roots of corrections up to current issues within corrections in the U.S. The importance of evidence-based policy and planning past, present, and future are highlighted. The text engages students and encourages them to critically examine correctional policy in the hopes they will take this information and become effective and efficient correctional professionals.

A Brief Introduction to Corrections shows students how to think practically about the correctional system by offering them a proven, problem-based approach to learning in a concise and accessible format. In this first edition, author Robert D. Hanser, draws on his many years of combined practitioner and academic experience to hone in on the core topics to demonstrate how the day-to-day practitioner conducts business in the field of corrections in both institutional and community settings.
